Happy Fathers Day + Thanks!

March - 2011 You (the Team working that Day) had to come to Monterey Manor early to pick me up + take me to Emergency. I didn't have a regular nose bleed oh! No I had to have a Bleeder that just would not quit. of course it wouldn't until we got right to Emergency. Thankfully! Anyway the Team were Great! You don't forget Good Deeds I waited until close to Fathers Day to send You a little Thank you!

Safe Journeys + Thanks again!

Best wishes,

Elayne
