Dear Mayor Seng,

I'm writing to you to let you know how I feel about Lincoln's Fire Department.

In 2003, I fell down the stairs in the Terminal Building.

Then in 2005, I fell twice in the month of June in the apartment that I was living at on Washington street.

Recently I fell from the bed in the current →

apartment that I'm living in.

I have a disability. I fall, I cannot get up.

Every time 911 was called, the Fire Department was very reliable, fast and dependable.

I feel very lucky to be living in Lincoln, Nebraska.

Sincerely,

Peggy.
