March 2011

Hi ~

I am writing to thank you for a delightful Fire and Rescue Award ceremony.

The dinner was so nice, and the whole evening was an inspiring event. The entire Fire - Rescue Team needs to be congratulated for a job well done each and every day. We are a lucky community to have them.

My 6 year old grandson, Grayson, received a Citizens Award. It is beautiful, and he feels very proud of it.

Our family appreciates all of you.

I hope the Award Ceremony continues and can honor even more of the team. They are deserving of it.

Sincerely, Ann
