STATION 5

With

sincere

thanks.

Mike & Connie
(Grandparents of Travis)

STATION 5 11/29/06

Lincoln Fire & Rescue Dept.

All of you will always have a very special place in our hearts.

We understand that our grandson, Travis) was the first to be rescued from the fire. Had it not been for the bravery and quick action of your firefighters, I'm afraid the outcome would have been quite different.

The paramedics, who quickly gave him the correct care, are equally responsible for Travis being with his family today.

We know our daughter + son-in-law, Nile + Cheri got to meet + thank all of you. Please know that

his grandparents will be forever grateful also.

Should there ever be any doubt that your entire team remain together, please feel free to use this letter.

God Bless You!

Mike + Connie
