-Psalm 34-

To the Members of Fire Station #5

Words can't begin to express the gratefulness we have in our hearts for you. Your bravery & quick response to my husband's accident on Oct, 27 [redacted] began the miraculous events that saved his life. Rod is a wonderful man, husband, & father to our 4 yr. old son. Because of you we have the blessing of our Daddy in our lives.

God Bless you,

Dawn [redacted]
