Dear David:

We appreciate the information and updates that you have provided us regarding the South Haymarket Neighborhood Plan (the "Plan"). It is our understanding that a public hearing on the Plan is scheduled for December 21, 2015. We are unable to attend the hearing to provide testimony in support of the Plan, but please feel free to share this letter with the City Council to evidence our support.

We appreciate the City's effort to enhance our historic district and complement adjacent neighborhoods. Re-creating a mixed-use neighborhood would make the area more enjoyable for residents and would also enhance economic development by drawing new businesses and retaining existing ones. The area would also be more attractive to visitors.

We thank you for the effort you have put into crafting the Plan and look forward to its approval and implementation.

Sincerely,

William D. Scott & Robert E. Scott
