REASON FOR LEGISLATION

To extend the termination date of an existing Inter-Governmental Agreement (A-87288) between the Nebraska Department of Environmental Quality (NDEQ) and the City of Lincoln from June 30, 2015 to December 31, 2016.

DISCUSSION / FINDINGS OF FACT:

The existing Agreement was for funding to install and display stormwater best management practice projects to improve water quality and educate the public on items they can do to improve water quality and reduce stormwater runoff. Due to the initial construction bids being substantially higher than the estimate, the project was chosen to be rebid for the next construction period compatible with the Zoo schedule (Fall 2015).
