To Whom It May Concern:

I am not sure that my prior messages went through so, in an abundance of caution, I am sending my message again.

I interested in being considered to fill the vacancy on the City Council created by the resignation of Adam Hornung. Attached is my resume.

I have been a resident of Lincoln for 28 years and see serving on the council a way of giving back something to the city that has given so much to me.

Thank you for your consideration.

John Lenich
