

RESOLUTION NO. A-\_\_\_\_\_

1           WHEREAS, the City Council for the City of Lincoln, Nebraska on April 18, 1977, by  
2 Ordinance No. 11954, approved the plat for the subdivision known as West Gate Park for  
3 Business and Industry; and

4           WHEREAS, the City Council for the City of Lincoln, Nebraska on July 9, 1979, by  
5 Ordinance No. 12631, approved the plat for the subdivision known as Capital Beach East  
6 Addition; and

7           WHEREAS, the Burlington Northern Santa Fe Railroad owns and maintains a railroad  
8 track running between the above named subdivisions; and

9           WHEREAS, the platted street known as West Industrial Lake Drive exists in both of the  
10 above named subdivisions; and

11           WHEREAS, due to the lack of an at grade crossing over the Burlington Northern Santa  
12 Fe Railroad track at West Industrial Lake Drive access for emergency vehicles and the residents  
13 of Capital Beach East is limited to one location; and

14           WHEREAS, the City Council for the City of Lincoln has determined that the installation  
15 of a railroad at grade crossing over the Burlington Northern Santa Fe Railroad track at West  
16 Industrial Lake Drive is necessary and desirable for the health, safety, and welfare of the  
17 residents of Capital Beach East Addition for the reason that the railroad crossing would provide  
18 an additional access point to Capital Beach East for the residents and emergency vehicles.

19           NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Lincoln,  
20 Nebraska:

1           1.       That for the reasons of increased safety and enhanced access to Capital Beach East  
2       Addition, it is necessary to have constructed an at grade railroad crossing over the Burlington  
3       Northern Santa Fe Railroad track at West Industrial Lake Drive.

4           2.       That this resolution shall serve as the City of Lincoln’s request and direction to  
5       Burlington Northern Santa Fe Railroad to construct, in conjunction with the City, an at grade  
6       railroad crossing over the Burlington Northern Santa Fe Railroad track at West Industrial Lake  
7       Drive as shown on the attached drawing which is marked as Attachment “A”.
