

Public Hearing: October 6, 2003

## **F A C T S H E E T**

**TITLE:** Request for use of public right-of-way for construction of a wheel chair ramp at 1001 'L' Street.

**SPONSOR:** Public Works and Utilities

**OPPONENTS:** Unknown

**OTHER DEPARTMENTS AFFECTED:**

**STAFF RECOMMENDATION:** Approval

**APPLICANT:** Sid Conner

**REASON FOR LEGISLATION:** Request for use of public right-of-way for construction of a wheel chair ramp at 1001 'L' Street.

## **D I S C U S S I O N**

The Department of Public Works and Utilities has received a request for a use of public right-of-way at 1001 'L' Street. The use of right-of-way would allow the applicant to construct a wheel chair ramp. The ramp would be located along the south side of 'L' Street.

Aquila has an existing 12" natural gas main located approximately 11 feet south of the south curb line. According to the applicants plan the proposed ramp will extend approximately 5 feet into the public right-of-way, which would leave approximately 8 to 9 feet of clearance to the gas main.

The Department of Public Works recommends approval of this request with the following conditions. The applicant will be required to contact Diggers Hot Line of Nebraska prior to commencing any construction activities and will need to apply for any applicable building permits. This use of right-of-way contains an area of approximately 390 square feet, more or less.
