4 River Corridor between the City of Lincoln Water Department, Lower Platte River Corridor  
5 Alliance, Nebraska Land Trust, U. S. Geological Survey, U.S. Fish & Wildlife Service, University  
6 of Nebraska, Center for Advanced Land Management Information Technologies, Metropolitan  
7 Utilities District, Lower Platte South Natural Resource District, Lower Platte North Natural  
8 Resource District, Nebraska Game & Parks Commission, Nebraska Department of Roads,  
9 Papio-Missouri River Natural Resources District and Nebraska Department of Natural  
10 Resources, to cooperatively undertake a study of the cumulative effects of changes to the  
11 Lower Platte River, is hereby approved and the Mayor is authorized to execute said Agreement  
12 on behalf of the City. The multi year Agreement is intended to assess long-term ecosystem  
13 changes, determine the risk and impacts associated with individual large-scale infrastructure  
14 and development projects, as well as the combined effect of the many activities in the Lower  
15 Platte River Corridor. The cost of the entire project is budgeted at \$335,000 of which the City of  
16 Lincoln would be responsible for a \$15,000 contribution. Funds are available in Account  
17 #506010.

18 The City Clerk is hereby directed to transmit a certified copy of the executed original  
19 Interlocal Agreement to Jerry Obrist, Lincoln Water System for distribution. Jerry Obrist shall  
20 secure a final executed original with the signatures of all parties for filing with the City Clerk.
