Addition  
BEER GARDEN

To Whom It May Concern:

The reason for the addition to our liquor license is so that we can add a beer garden on the south side of the licensed premise. The addition will be 16' 10" wide by 43' 2" long. Entrance into the beer garden will be through the south door of the building only; there will be a emergency exit out of the beer garden that will be controlled with a audio type panic bar.

Joe Ruiz, owner

We already have an special permit for our building. I have applied w/ the City Planning dept. for them to do an administrative amendment to allow us to add the beer garden on the premises.
