D I S C U S S I O N

The Nebraska Legislature passed LB1226 which provides funding for the Stormwater Management Plan grant program. This grant program provides funding to cities and counties with federally mandated stormwater permit requirements to assist in implementing their required Stormwater Management programs. The City of Lincoln's share is \$528,128.

This is a resolution to allow the City of Lincoln to enter into a Cooperative Agreement with NDEQ for state grant funding. The grant application requires a 20% cash match that will come from the current operating budget and capital improvement program. Funds may only be used for projects and programs to implement the City's Stormwater Management Program, and may not be used for normal operations, maintenance or flood control. Project duration may not go beyond June 30, 2011.
