LMC 6.02 - Ordinance Revision

DETAILS

POSITIONS/RECOMMENDATIONS

<p>LMC 6.02 - Definitions</p> <p>There are several clean-up changes proposed in LMC 6.02 that are necessary since the City's ordinances are required by State statute to be at least as restrictive as the State.</p> <p>It is also proposed that voice control be removed as an acceptable method of an owner restraining a dog. This includes animals on the owner's property. LMC 6.02.490 - Run-At-Large. Voice control has not been proven to be an effective means of restraint in many cases. We reviewed bites/attacks over a one year period and it was determined that 60 incidents (35 bites and 25 attacks) occurred where voice control was being used and was not effective.</p>	Sponsor
