

**AMENDMENT #1
TO THE CONTRACT FOR THE OPERATION
OF A KENO-TYPE LOTTERY**

The parties agree to amend the existing agreement (A-84677) between the City of Lincoln (City) and EHPV Lottery services, LLC, (Operator), by modifying Section 8, times in which keno is allowed to be operated.

The parties agree to amend and replace Section 8 of the existing service agreement, with the following:

8. Time and Hours of Operation

The main keno game shall be operated Monday through Saturday, between 9:00 a.m. and 1:00 a.m. the following morning; and on Sunday from noon to 1:00 a.m. the following morning. The main keno game may be operated at other times when liquor is allowed to be served within the City of Lincoln, subject to applicable law and the approval of the Finance Director.

There shall be no cessation of operations at the main location without the prior written consent of the City, and any cessation of operations without such prior written consent shall cause the Operator to be in default and subject the Operator to liquidated damages or termination of the contract. Notwithstanding the above, termination or cessation of operation caused by fire, casualty, or equipment failures beyond the control of the Operator, at the keno lottery location shall not cause the Operator to be in default, but a default shall occur unless operations are not commenced again as soon as reasonably practicable after the occurrence of such fire or other casualty.

The parties agree that all other terms and conditions of the agreement shall remain as stated in the original service agreement.

The Operator and the City do hereby execute this Amendment on _____ day of September 2010.
