MAYOR'S STATEMENT ON RETURN OF STATE VOLLEYBALL TOURNAMENT

“Today, the Nebraska School Activities Association (NSAA) announced that the State High School Volleyball Tournament will return to Lincoln for three years starting in 2014. I want to begin by thanking the NSAA Board of Directors for their support of our community. This is exciting news for our City. I'm pleased that Jeff Maul from the Lincoln Convention and Visitors Bureau can be here. In May, Jeff, along with Tom Lorenz from SMG and representatives from the Lincoln Public Schools presented Lincoln's bid to host the tournament. Thank you, Jeff, and congratulations on your successful proposal.

“Lincoln hosted the tournament for nearly 30 years before it moved to Grand Island. That City has been an outstanding host for the event for three years, and we wish them much success again with the 2013 tournament.

“At the same time, we feel strongly that it's time for the State volleyball tournament to come 'home' to the State's Capital City. Lincoln has long had a tradition as a championship City, and we are ready to reclaim that title in a big way.

“In April of 2009 when the NSAA first announced that the tournament would move to Grand Island, I issued a statement. I said the decision should 'strengthen this community's resolve to make the West Haymarket project a reality.' At that time, I said that 'every year we wait, we cost the community millions of dollars in revenue – revenue that we can use to keep our community strong and position us for future success.'

“A year later, the voters of Lincoln approved the construction of a new arena for this community. And I want to again thank the voters for their confidence and their vision. Today's announcement is a victory for all those who believed in the project.

“A week from tomorrow, we cut the ribbon on the new Pinnacle Bank Arena, the new home of the Husker basketball program. The new arena led to the renovation of the Devaney Center. Those facilities were the key to bringing this great State event back to Lincoln. When State volleyball players, coaches and fans come back to Lincoln in November 2014, we can promise them not just new and updated facilities, but new hotels, new restaurants and new entertainment options to enjoy.

“Again, congratulations to Jeff and his team, thank you to the NSAA Board of Directors and thank you to the community for supporting Lincoln's growth.”

PUBLIC INVITED TO OPEN HOUSE ON
48TH AND RENTWORTH STORM DRAIN IMPROVEMENTS

The public is invited to an open house on a storm drain improvement project near 48th Street and Rentworth Drive. The meeting will be held from 5 to 6:30 p.m. Wednesday, August 28 at Old Cheney Alliance Church, 5201 Old Cheney Road.

The project includes the installation of additional storm drain pipe and inlets near 48th Street and Rentworth Drive to reduce street flooding and improve drainage during heavy rains.

The project design phase will be completed in September, with construction set to begin in spring 2014. The construction process will be phased so traffic can be maintained and disruptions to businesses can be minimized. Construction is expected to take eight weeks. The project is being funded through the 2012 stormwater bond issue.

The open house will give resident the opportunity share ideas with the planning team and to view maps and planning documents. Alfred Benesch and Company is the contracted consultant designing the project.

SUBJECT: 2013-14 Substitute
Budget Amendment

A substitute resolution (13R-182) to amend the 2013-14 Budget is attached. This substitute resolution includes tax rates in paragraph #1, now that final property tax valuations are certified by the County Assessor. Those valuations increased 2.61%. Property Tax revenues include an additional \$682,681 in the General Fund to make up for the short-fall in Sales Tax revenue and also increase funding for Police and Fire Pension Fund by \$553,426. A minor change in year end transfers is indicated w/ strike outs in Paragraphs #7 and #8.

13R-182

MOTION TO AMEND NO. 2

I hereby move to amend Bill No. 13R-182 by accepting the attached Substitute Resolution to replace the previously provided Bill No. 13R-182.

RESOLUTION NO. _____

WHEREAS under the provisions of Section 26a of Article IX of the Charter of the City of Lincoln and Chapter 3.06 of the Lincoln Municipal Code, the biennial budget for the City of Lincoln was submitted on July 9, 2012 and adopted on August 20, 2012; and

WHEREAS under Chapter 3.06 of the Lincoln Municipal Code the City Council may revise the previously adopted biennial budget due to the unforeseen circumstances that, the actual expenditures for the current fiscal year will exceed budgeted expenditures unless the current fiscal year 2013-14 Budget is revised; and

WHEREAS, under the provisions of Section 26a of Article IX and chapter 3.06 of the Lincoln Municipal Code and Nebraska Revised Statute 13-511, a notice and public hearing on the proposed revised budget was held on August 26, 2013, notice thereof having been published in one issue of the Lincoln Journal Star, a newspaper of general circulation in the City, more than five days before such hearing;

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Lincoln, Nebraska

1. There is hereby levied upon all taxable property within the corporate limits of the City of Lincoln, Nebraska, upon each one hundred dollars of approximate market value thereof, taxes in an amount sufficient to generate funds for the purposes and in the amounts hereinafter named, to-wit:

	2013-14 Estimated Appropriated <u>Amount-90%</u>	2013-14 Estimated Total Tax As <u>Levied-100%</u>	2013-14 Estimated Per \$100 <u>Market Value</u>
General	\$29,093,438	\$32,326,042	0.18892
Library	6,419,899	7,133,221	0.04169
Social Security	2,396,220	2,662,467	0.01556

Bond Interest & Redemption	4,894,079	5,437,866	0.03178

2. Per resolution A-82134 passed by the City Council on June 9, 2003 establishing an unreserved fund balance policy for the City, the General Fund unreserved fund balance as of the last audited financial statements as of August 31, 2012 was \$31,499,074. This August 31, 2012 unreserved balance is 22.97% of the General Fund budget for 2013-14 of \$137,124,700 included in this resolution. The August 31, 2012 unreserved balance was 2.97% more than the 20% goal for such balance set by Resolution A-82134.
3. The City Council hereby appropriates the sums identified on Schedule 1 to adopt a budget for the Pinnacle Bank Arena.
4. The City Council hereby adopts the revised budget for The Community Health Endowment as identified on Schedule 2 as revised by the Community Health Endowment Board of Directors.
5. There is hereby created the Public Works and Utilities Fiber/Conduit Fund. The purpose of the fund is to capture the financial activity, including revenues, contributions, if any, and expenses generated by additions to the city's conduit and fiber assets. This Fund shall be solely for the operation and capital needs of the City/County fiber/conduit efforts and is not a potential source of funding for other City operations or projects. There is hereby appropriated all monies now credited or which will be credited to the Public Works and Utilities Fiber/Conduit Fund, notwithstanding any sum limitations set forth in the budget attached hereto.

6. Having met the appropriate Comprehensive Plan Conformance Requirements, the Six Year Capital Improvement Program (CIP) for 2012-13 – 2017-18 adopted as Schedule 5 of Resolution A-86975 is hereby amended to include the following projects and the City Council hereby appropriates the designated funds and directs the Finance Director to make the necessary adjustments to the biennial budget:

Dear Mr. Olberding:

After receiving your correspondence on parking enforcement regardless of the day of the week, I did contact the Lincoln Police Department, asking for an explanation on this and also to your other questions.

James Peschong, Chief of Police, responded with the attached letter, explaining enforcement of the City's ordinances.

If there are any other questions please do not hesitate to contact me.

Sincerely,

Roy,

I want to thank you for taking on the thankless task of City councilman (been there, did that in similar situations).

With that in mind, it has come to my attention that certain city laws/ ordinances/ rules/ etc. are only enforced by the police during the week. As a taxpayer, I was under the impression that we were paying for law enforcement 24/7.

If I am mistaken, stop me here and tell me which laws are enforced during the week (Monday through Friday) and which laws are only enforced on the weekends. I'm sorry, but this is a formal request, not a casual information request.

The 24 hour parking in one spot in Lincoln ordinance is only enforced Monday through Friday as told to by police dispatchers. Aside from this being an inconvenience to me in my neighborhood, it is also a violation of city code.

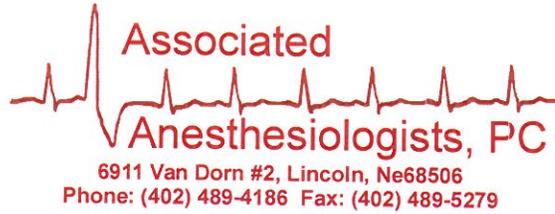

As a city taxpayer, I formally request to know, which laws our city police do not enforce during the weekends. Residential parking is an obvious one. What other ones are there?

Thank you for your time in this situation,

Clarence Olberding

P.S. How is Deb's patio garden doing? If she needs tomatoes, peppers, eggplant, squash, and/or Cucs, I'm having a great year with the garden. (Can't go fishing, because the street is always blocked and I can't get my boat back into the garage when I come back home.)

CITY COUNCIL
OFFICE

Dear City Council Member,

I am writing this in support of the N street bikeway. I have been a cyclist since early childhood. I still remember my first ride without training wheels over 55 years ago. In the summer of 1971, while working nights in a gas station and attending summer college classes a bike became my primary means of transportation.

Since that time, I have ridden many multi day trips, including several BRANs, RAGBRAIs and the Allegheny Gap Trail as well as the C&O Canal. I am a life member of the League of American Bicyclists, a certified League Cycling Instructor, member of the Great Plains Bicycle Club, member of BicycLincoln, supporter of the Nebraska Trails Foundation and member of the Great Plains Trail Network. Additionally, I am a frequent commuter to work but not a daily rider.

Part of my professional work as a physician and member of the Board of Medicine and Surgery for the State of Nebraska requires that I advocate for the health and well-being of all Nebraskans. Approximately 68% of adults and 34% of children and adolescents are classified as overweight or obese. Anything you and I can do to promote a healthy lifestyle will be big with the coming tsunami of health issues that are exacerbated by excess weight.

As you know, our downtown streets are busy and clogged with traffic at certain times of any business day. If we could reach business time ridership of small percentage of downtown workers which would be helpful in reducing the congestion as well as need for additional parking structures. My research, which is old data, tells me the cost of a parking structure approaches 9-12K per space. Huge!

Now, I have been riding a long time and have ridden in some city centers major metropolitan areas of our nation but I am not a young family out for a family centered activity. I would look askance at a young parent towing their children down to the Haymarket or Children's Museum in our current environment.

Finally, during the campaign for support of the new arena, I called city hall to ask the specific question if the development would be bike friendly and was assured it would be. Now is the time to implement first steps to a bike friendly downtown.

Thank you,

Vonn Roberts, M.D.

MAYOR ISSUES COMMUNITY HEALTH CHALLENGE

Mayor Chris Beutler today announced a five-year challenge to the community to make healthy living a top priority. He said the problem of obesity has huge ramifications for individuals and for society and called on young people and adults to improve their health with more physical activity and better food choices.

“While life expectancy in this country has increased to an all-time high, the quality of life has not increased along with these extended years, and chronic diseases are a major factor,” Beutler said. “These diseases are preventable or can be delayed by making good health choices and by teaching our children to make good choices. The common denominators in most chronic diseases are obesity and physical inactivity. We rightfully focus much attention on the prevention of childhood obesity, but we also must focus on adults because it’s never too late to start making healthier choices. Even small changes can make a big difference.”

The Mayor’s challenge includes five goals to reach by 2018:

- Decrease obesity among adults from the current 24.4 percent to 15 percent.
- Increase the percentage of youth (9th through 12th grades) at a healthy weight from the current 68.6 percent to 80 percent.
- Increase the percentage of adults who get at least 30 minutes a day of physical activity five or more days each week from 52.2 percent to 75 percent.
- Increase the percentage of youth who get 60 minutes of physical activity at least three days each week from the current 75.5 percent to 85 percent.
- Increase the percentage of both adults and youth who eat at least five servings of fruits and vegetables each day from 15.9 percent and 16.2 percent respectively to 25 percent.

The current percentages are from the most recent local data from the Lincoln-Lancaster County Health Department (LLCHD). According to the Centers for Disease Control and Prevention, chronic illnesses account for 70 percent of deaths and at least 75 percent of health care costs in the U.S.

“This challenge requires agency cooperation as well as individual responsibility,” Beutler said. “My challenge is aggressive, but by working together, I believe we can achieve our goals. Five years from now, I want to be able to say to you that we have made progress on becoming the healthiest city in the nation. When we worked together, we were able to reduce tobacco use. We can use that same approach to urge residents to be more active, to make healthy food choices and to lower our obesity rates.”

Community Forums on the Health Insurance Marketplace

The Health Insurance Marketplace, created by the Affordable Care Act, is a new way to find health insurance that fits your budget and meets your needs. Starting in October, you can apply, compare all your options, and find out if you qualify for free or low cost coverage.

CAPITAL CITY READY FOR GAME-DAY TRAFFIC

Mayor Chris Beutler welcomes visitors to Lincoln for Husker football games and says Nebraska's Capital City is ready to accommodate fans and game-day traffic. Drivers and pedestrians will notice new and continuing development in the West Haymarket area around Lincoln's new Pinnacle Bank Arena.

The Mayor invites fans to tour the Arena the day of the Husker home opener August 31. The Arena will be open from 11 a.m. until the end of the Nebraska-Wyoming game, with the game displayed on the arena's four-sided, high-definition video board.

All streets and most sidewalks in the Haymarket will be open with two exceptions: "P" Street from Canopy to Arena Drive; and southbound 7th Street from "R" to "Q." Parking will be available in the Red1 Garage, 555 "R" St. (\$20 on site, \$16 online). Limited parking will be available for \$20 in the VIP Parking Garage attached to the southwest side of Pinnacle Bank Arena and in the festival space north of the Arena. Fans will be subject to towing if they park on job sites or driving lanes on streets or in unfinished areas.

To beat game day traffic and parking challenges, the City recommends visiting lincoln.ne.gov for street construction information, arriving early, celebrating downtown after games and using these City services:

- Travel to and from games on StarTran's Big Red Express (startran.lincoln.ne.gov).
- Reserve pre-paid event parking at City garages (parkandgo.org).
- Purchase a \$9 tag for all-day, on-street parking in metered stalls from any City parking employee wearing a Park & Go shirt at City-operated parking facilities.

(More information on the Big Red Express and parking follows this release.)

Meters are enforced Saturdays from 8 a.m. to 6 p.m., and the following fine system is in effect:

- If the ticket is paid online within seven days from when it is written, the fine is \$9.
- If the ticket is paid in person or through the mail within seven days, the fine is \$10.
- If the ticket is paid after seven days, the fine is \$25 in person or by mail or \$24 online.

Vehicles towed by order of the Police or a Parking Control Officer are subject to a \$50 towing fine in addition to the \$49.53 required to get a vehicle out of the impoundment lot. The towing fine does not apply to cars towed from private lots.

Football Traffic and Parking

On football game days, Interstate 80 exits at I-180/Downtown and 27th Street can be very congested, so visitors are encouraged to use other routes into Lincoln:

- From the east, take the Hwy. 6/Cornhusker Hwy. exit (409). Turn south at State Fair Park Drive and west on Salt Creek Roadway to reach Memorial Stadium, the Champion's Club and parking facilities east of the stadium and in the Haymarket.
- From the west, use exit I-80 at Homestead Expressway/Hwy. 77 South, then go east on Rosa Parks Way.
- Those using I-80 who plan to park in the Haymarket Park lots will experience less congestion if they enter Lincoln using the airport exit (399).

Other traffic reminders:

- After games, 10th Street is one-way northbound from Military Avenue to Sun Valley Boulevard.
- Stadium Drive west of the stadium will be closed to all vehicular traffic. Passenger drop-off and pick-up will not be allowed in front of the stadium before or after the game. Fans can be dropped off and picked up at 10th and Charleston streets and 12th and "R" streets.
- Only StarTran buses and those using UNL lots 12, 22 and 23 or handicapped parking will be allowed west of 16th Street on Vine.
- Charter buses will park on "W" Street between 14th and 16th streets.
- The taxi stand is at 14th and Vine streets.
- Downtown bike lanes are on 14th Street from "L" to "R" streets and on 11th Street from "Q" to "K" streets.

Other general reminders:

- Alcohol is prohibited on City streets, parking lots, garages and sidewalks including the trail between Haymarket Park and 8th Street.
- The sale of tickets, souvenirs or other items is not allowed on City streets or sidewalks. Officers will issue citations for violations that inhibit the use of the street or sidewalk.
- Lock your vehicle and put valuable items out of sight to prevent theft.
- Backpacks and umbrellas are not allowed in Memorial Stadium.

- 30 -

BIG RED EXPRESS

In addition to its regular routes, StarTran will provide its Big Red Express service on Husker game days starting two hours before kickoff from six locations:

- The City Municipal Service Center (I-80 airport exit #399), N.W. 12th and West Bond streets (take first right north of McDonald's)
- Southeast Community College, 88th and "O" streets, south parking lot
- Holmes Lake, 70th Street and Normal, north end of lake
- Gateway Mall, 61st and "O" streets, north of Penney's
- SouthPointe Pavilions, 27th and Pine Lake Road, south of Von Maur

- North Star High School (I-80 airport exit #403), 5801 N. 33rd St. (six blocks east of 27th Street and Folkways Blvd.)

Buses will drop off on and depart from “R” Street between 12th to 14th streets. The cost is \$5 each way, and passengers will need exact change. Electronic signs will help direct fans to the Big Red Express locations. Big Red Express season tickets, good for round-trip travel for all home games, are available for \$60, a \$20 savings, at StarTran, 710 “J” Street; the SouthPointe Pavilions office; or at the lots on game day. For more information, call 402-476-1234 or visit startran.lincoln.ne.gov.

PARKING

The City recommends reserving reduced-price, pre-paid, event parking through the City Web site, lincoln.ne.gov, and through parkandgo.org. Football parking locations and fees are:

- **City-County**, 10th and “K” streets - \$10 on site and online
- **South City-County**, 701 S. 10th St. and **West City-County**, 802 “J” St. - \$10 on site and online
- **Carriage Park**, 1120 “L” St. and **Cornhusker Square**, 1220 “L” St., and **Center Park**, 1100 “N” St. - \$18 on site, \$13 online
- **Haymarket**, 9th and “Q” streets; **Lincoln Station South**, 7th and “P” streets; **Market Place**, 10th and “Q” streets; **Que Place**, 1111 “Q” St.; **Red 1**, 555 “R” St.; **University Square**, 101 N. 14th St.; **Larson Building**, 1317 “Q” streets; **West Depot Lot**, 676 “O” St. - \$20 on site, \$16 online
- **Sun Valley and Charleston St. Lot** (near Oak Lake Park) vehicle parking - \$10 on site and \$7 online; RV parking - \$50 on site and \$46 online

Grills are not allowed in City garages. Additional parking is available at the 12th and “Y” lot and the 14th and New Hampshire lot for \$10 per vehicle and \$20 per RV (game-day purchase only). Grills are allowed at these locations and at the Sun Valley and Charleston lot. RV parking may be purchased online. Fans planning to stay Friday night on City property **must** purchase their parking online and display the permit in their RV overnight. RV parking is not allowed at the Haymarket Park baseball/softball complex.

The new festival space parking north of the Arena is \$65 for vehicles and \$150 for RVs and includes a food package. Access to these spaces is through Haymarket Park, and fans can walk to Memorial Stadium over the Bereuter Pedestrian Bridge south of centerfield at Haymarket Park. For more information on the festival space, contact Brooke Bartek, bbartek@pinnaclebankarena.com.

A number of private lots are available. Rates vary, and some offer season passes. Vehicles blocking drives, parked too close to the intersection, parked on public right of way or interfering with vehicle or pedestrian traffic will be towed.

UNL parking lots will be available for use six hours prior to kick off. Game-day parking

information and maps are available at <http://parking.unl.edu/> (keyword: football). Parking also is available at the following University areas for \$15:

- 17th and “R” garage
- 19th and Vine Street garage
- 1150 N. 14th St. (Harper Schramm Smith Food Service)
- 15th and Vine streets

LINCOLN RECEIVES FIRST EVER GOOGLE eCITY AWARD FOR NEBRASKA

Independent research firm IPSOS and Google recognize the strongest online business community in each state

LINCOLN - Today, Google announced **Lincoln** has been named the **2013 eCity of Nebraska**. The eCity Awards recognize the strongest online business community in each state - **the digital capitals of America**. These cities' businesses are embracing the web to find new customers, connect with existing clients and fuel their local economies.

"Our 'e-City Awards' recognize the new 'digital capitals' of America," said Scott Levitan, Google's director of small-business engagement. "We're proud to recognize this growing entrepreneurial-spirit—and the role that it plays in both creating jobs and sustaining local economies. With 97-percent of Internet-users looking for products and services online, it's clear that success is about being connected."

"Small businesses are the backbone of our economy, and today, technology is playing a critical role in driving small business growth," United States Senator Deb Fischer said. "We need to encourage all business leaders, like those in Lincoln and many others across the state of Nebraska, to continue to use technology to innovate and succeed."

Lincoln Mayor Chris Beutler credited the partnership and commitment between the public and private sectors for Lincoln's success. "Every day, Lincoln businesses use online tools to share with entire world the amazing products and services they offer and the many factors that make our community unique," he said. "Today's award belongs to our residents and our businesses who are using the Web to make their lives and our lives better. We've got a lot to celebrate, but we aren't resting on our laurels. We know the potential is limitless."

Google worked with an independent research firm IPSOS to analyze the online strength of local small businesses in cities in all fifty states and Lincoln is among the ranks of America's leading cities in the digital economy.

Nebraska businesses already know that Americans are turning to the Internet to look for local goods and services and businesses need to be where their customers are, and in 2013, that's online. Yet, more than half of all U.S. small businesses do not have a website. Over the next 3 years, businesses that make use of the web are expected to grow 40% faster and are twice as likely to create jobs. With small businesses creating two-thirds of all new jobs, the potential impact of getting these businesses online is enormous. Google hopes that these "digital capitals" will become an inspiration to other areas—throughout the nation—of what can be accomplished by spearheading business development on the Web.

"When we started this business it was a small mail order company," stated Ardith Stuuertz and Elizabeth Erlandson, owners of Licorice International. "Even after we created a website, the business would have remained very small except for the boost we got from Google AdWords. Today we are still amazed that we send out as many as 10,000 orders a year to licorice lovers across the United States and in 24 other countries. Lincoln is a wonderfully supportive city and the combination of the internet and a great local community has made all the difference for us," they added.

Wendy Birdsall, President of the Lincoln Chamber of Commerce, added, "We are honored to add this Google e-City award to Lincoln's long list of recent awards. Lincoln has a well-developed entrepreneurial eco-system that understands the importance of being wired and ready to do business across the globe."

Subject: Complaint TWC - Digital Converter Availability

I wasted an hour today attempting to acquire a Digital Adapter as promised in TWC August 23 letter to customers. Letter attached.

Upon trying to order online under my account, "Not available..."

Upon call calling 855-286-1736, "Not available". After 25 minutes of transfers finally getting to local office. "Not available until mid to late September and only available by office pickup or by \$39.95 install. Please check back then"

The letter clearly states available now and "easy for you to order online..."

The switchover to digital by charging for equipment to get channels I have always had is in effect a rate increase.

This rate increase and customer service is not acceptable. Another example of TWC monopoly in Lincoln treating customers however they wish.

TimeWarner needs to be forced to follow through on their promises (offer of Digital Adapter). Equipment requirements including installation, created by a system change by TWC should not incur additional fees or charges to existing customer, without approval by the Committee, of which I would oppose.

Dear Valued Customer,

Time Warner Cable is moving towards a higher-quality, digital only experience to provide better picture and sound, more HD channels, and more robust Internet speeds. Delivering channels in digital format is one way we continue to improve the quality of our service.

Starting on or about September 25, 2013, Net 2 (Ch. 17), C SPAN (Ch. 19) and WGN (Ch. 14) as well as local Public, Educational and Government access programming will be delivered in digital format only. These channels will remain in your existing package however they will only be viewable with digital equipment, such as a TWC-supplied digital set top box, Digital Adapter or CableCARD™ (see equipment requirements on back). Note that this will not affect your local Public Broadcasting Service (PBS) station(s) which will continue to be carried in their current format(s) without change.

Please note you do not need to take action if all of your TVs are connected to a digital set top box (like a TWC cable box), Retail CableCARD™ device or if your digital television is equipped with a QAM tuner.

If you want to view these channels on TVs that are not currently connected to digital cable equipment, you may between now and November 25, 2013 request Digital Adapters and remote controls free of charge through January 1, 2015. Beginning January 1, 2015, each of those Digital Adapters will cost 99 cents a month.*

It's easy for you to order Digital Adapters. Order online at twc.com/digitaladapter or call 1-855-286-1736 to speak to a Customer Care Representative.

If you have a TV with a built in digital cable tuner (QAM or ClearQAM) please note that you will continue to be able to view this programming without additional equipment on the following channels¹:

CHANNEL	DIGITAL CHANNEL #	QAM CHANNEL #
Government Access	Channel 5	Channel 71.14
Government Access	Channel 10	Channel 71.15
Public Access	Channel 13	Channel 71.11
Educational Access	Channel 21	Channel 71.16
Public Access	Channel 80	Channel 71.13

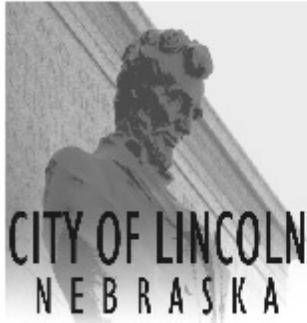

We're committed to bringing you the high quality entertainment and communications services you deserve. We appreciate your business and thank you for choosing Time Warner Cable.

Sincerely,

Time Warner Cable

¹The actual channel number displayed on your ClearQAM device may vary depending on that device's manufacturer and/or model number. In addition, it may be necessary to perform a new channel scan before you are able to view these channels. The procedure for performing a channel scan varies from device to device. If you experience any difficulties, we recommend that you consult the manual that came with your ClearQAM device or contact the manufacturer directly.

*Customers may go to any service center to pick up a Digital Adapter or choose the self-install kit ship option in which the equipment will be mailed to customer's mailing address provided. If customer prefers, a Time Warner Cable technician can deliver and install a Digital Adapter for a trip charge of \$39.99.

**Citywide Arterial Street Rehabilitation
Havelock Avenue; Touzalin Avenue - North 72nd Street
State Project No. LCLC-5228(4) Control No. 13138
City Project No. 540022**

The City of Lincoln proposes to rehabilitate Havelock Avenue between Touzalin Avenue and North 72nd Street beginning September 3, 2013, weather permitting. The existing asphalt pavement will be milled off and overlaid with new asphalt and pavement markings. Pedestrian curb ramps along Havelock Avenue will be reconstructed to meet ADA standards.

Pavers Inc. will be the contractor. They will perform the work under a total street closure with Havelock Avenue being closed to through traffic. Traffic from Havelock Avenue will be detoured using Touzalin Avenue, Fremont Street, 70th Street, Adams Street, and 84th Street.

The Contractor proposes to begin work between 72nd Street and 70th Street under a total street closure. As work progresses, they will advance to the west between 70th Street and Touzalin Avenue under a total street closure. 70th Street will remain open at all times during the project. Local access along Havelock Avenue to side streets and driveways will be restricted at times during the construction operations. The City will work with local businesses and residences regarding their access during construction.

If a business or residence has a sprinkler system in close proximity to an existing curb ramp, they are asked to flag the sprinkler heads to aid the contractor in minimizing damage.

Comment or Question:

What in the world are you thinking when raising the wheel tax? Don't you think we pay enough for our license plates already.... I live on a street where we are an association, therefore a private street. Now we pay city taxes, property, etc. and when our street needed repair we had to pay it ourselves. Therefore, when you say the increase in the wheel tax is for the repair of streets, for WHO, WHEN AND WHERE. I am against the wheel tax in general and now the increase...
