Dear Mr. Friendt,

As the upcoming city council elections are about to initiate some new beginnings, and your wise and faithful service as one of that entity is about to come to a close, I just wanted to say "Thank You".

I realize things are not always as they seem, but it seems to me that often you have been a lone, steadfast voice of reason in what seems to me, unseemly situations.

It is Aristotle who once said: "We are what we repeatedly do. Excellence, then is not an act, but a habit."

Thank you, Mr. Friendt, for your contribution of excellence to the people and the structure of the city of Lincoln.

I wish you well.
