**C. MISCELLANEOUS**

- \*1. E-Mail from Lynn Robeson - RE: Information about problems with mobile home files. — Mike Merwick stated to Council that him and Joan Ross got together and looked over what was there and there were several issues. Mr. Merwick stated to Council that there were seven checks that were dated 1999. Mr. Merwick stated to Council that five of those checks were endorsed and deposited in the General Fund; one check was rebilled for the proper amount and a check for \$25.00 received and deposited in the General Fund; and one check for \$75.00 was sent back to a Colorado owner of three trailer courts and was rebilled, since the check had expired, and he is sending a new check back to them. Mr. Merwick stated to Council the issues that were brought up are all going to be taken care of and most of it is done now. Mr. Merwick stated to Council that why all the checks were not cashed-no one knows, the checks were sitting in a file and he guesses that they were just waiting to be cashed. Mr. Merwick stated to Council that there are no other checks that weren’t cashed.

Mr. Merwick stated to Council the other issue that was raised in the letter to them was whether or not since these mobile home courts had not had their checks cashed were they legally licensed. Mr. Merwick stated to Council that he talked to the Law Department about it and even though they didn’t cash their checks the City was still bound to have them legally license. Mr. Merwick stated to Council that the City made the mistake, not the Mobile Home Court owners who applied for the trailer court license and followed all the procedures. Mr. Merwick stated to Council, so that they all know, all the mobile home courts were inspected in the year 2000 and all checks were cashed and deposited. Mr. Merwick stated that all the mobile home courts do have a license and are operating now.

Mr. Merwick stated to Council that there will be one mobile home court that is going out of business this year. Mr. Merwick stated to Council the issue of Shady Elm Court changing hands is correct. In 1999 the owner applied for a renewal license, which was issued. In the year 2000, the owner applied for a new license for an existing court with a new owner, called Ceejay Incorporated. Mr. Merwick indicated to Council so “yes” they did change ownership and “yes” he did apply for a different license once the ownership changed hands. Mr. Merwick stated to Council that this covers all the issues that were raised and if they have some more questions he would be glad to answer them.

Ms. Johnson stated to Mr. Merwick that they received the letter regarding the checks a couple of weeks ago. Ms. Johnson stated to Mr. Merwick that she thinks they responded to Lynn Robeson and she was wondering if she could get a copy of what he is sharing with them, so she can respond to Mr. Robeson on the rest of the stuff. Mr. Merwick stated to Ms. Johnson that he will get her a copy of it. Ms. Johnson thanked Mr. Merwick.

Mr. Shoecraft stated to Mr. Fortenberry that they did that on Friday at the Common Meeting. Mr. Shoecraft asked Ms. Seng if she would give Mr. Fortenberry an update on the Comprehensive Plan. Mr. Fortenberry asked Ray Hill what is the process again on the Comprehensive Plan. Then he asked if this was to discuss the initial goals or to discuss the broader outline. Mr. Fortenberry commented to Mr. Hill that there was a time table involved. Mr. Hill stated to Mr. Fortenberry that he will try to get an answer for him by this afternoon. Ms. Seng stated to Mr. Hill that Kent Morgan handed out information to them on Friday morning at the Common Meeting. Mr. Hill stated that he will get that information for Mr. Fortenberry.

**COLEEN SENG**

Ms. Seng stated that she was going to tell the Mayor “thank-you” for doing a Gift Catalog. Ms. Seng asked Diane Gonzolas if she put the Gift Catalog together. Diane Gonzolas stated to Ms. Seng that Dave Norris from their office worked on the content a lot and all the departments helped because they had to give them the information. Ms. Seng commented that years ago, they use to have this catalog and she is really pleased to see it. Ms. Gonzolas commented that she does what to mention that it was Mike Merwick’s idea. Ms. Seng thanked Mr. Merwick.

Mr. Fortenberry asked Ms. Gonzolas if anybody gave anything. Ms. Gonzolas stated to Mr. Fortenberry not yet, that they don’t have the final copies. Ms. Gonzolas stated that they had some previewed copies printed before Christmas and sent out about 800 of them, but the final ones are at the printers right now.

Ms. Seng asked if someone knew who John Biegle was and stated that maybe he is a City or County employee. Ms. Seng stated that he called her about parking around Riley School and she asked Dana Roper if this gentleman was an attorney. Dana Roper stated to Ms. Seng that “no” he is not, that he is taken care of the Hall of Justice, the [inaudible] project, the building of it and getting stuff coordinated for it. Ms. Seng stated that he was talking about parking around the old Riley School and if they could add a little parking to it and she told him that they were already digging over there. Ms. Seng stated to Marc Wullschleger that than he was wondering if there could be any cutting in

for some diagonal parking right by the newer Riley School. So they might want to think about it because it might help ease a little strain over there. Ms. Seng asked Mr. Wullschleger to talk with the Public Works Department to see if there is any way to do that. Ms. Seng stated to Mr. Wullschleger that evidential the neighbors are suffering from a lack of parking right around there. Mr. Wullschleger stated to Ms. Seng that he will talk to Public Works about it. Ms. Seng stated that she also asked him to write a letter to her, but she hasn't gotten it yet.
