**STAFF RECOMMENDATION:**

**APPLICANT:** Lincoln Water System

**REASON FOR LEGISLATION:**

**DISCUSSION**

This is a 15 year contract with AT&T and Touch America. Under the contract, an existing telecommunication cable will be replaced with several conduits through which these 2 companies will run fiber optic cables. The length of the conduit run is 4,367 feet and will go through the wellfields in Ashland. The compensation is \$1.50 per foot per year for an initial total of \$6550.50.
