Planning Director

Dear Kathleen:

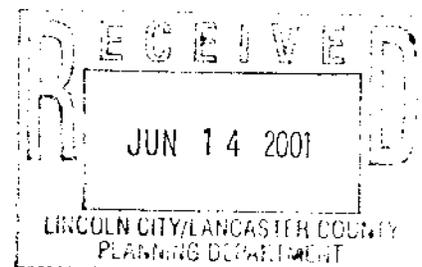

Enclosed please find an amendment to *The North 27th Street Redevelopment Plan*. The proposed amendment adds a project that includes the purchase and demolition of the old Midas Muffler building located at 601 North 27th Street. The building has been for sale for over a year, is deteriorating and contributing to a blighting influence on North 27th Street. This location is adjacent to a current city redevelopment project. Demolition of this building and the installation of landscaping will further meet the goal in the Redevelopment Plan of providing more green space. Additional parking will benefit adjacent property owners.

Please forward the amendment to the Planning Commission for their consideration as an amendment to *The North 27th Street Redevelopment Plan* at their July 11, 2001 meeting, if possible. If you have questions, please contact Wynn Hjermsstad at 441-8211. Thank you.

Sincerely,

Marc Wullschleger
Director
