

Public Hearing: July 14, 2003

## **F A C T   S H E E T**

**TITLE:** An Ordinance amending Chapter 14.36 of the Lincoln Municipal Code relating to Housemoving.

**SPONSOR:** Public Works/Utilities

**OPPONENTS:** Unknown

**OTHER DEPARTMENTS AFFECTED:**  
Building & Safety

**STAFF RECOMMENDATION:**

**APPLICANT:** Public Works/Utilities and Building & Safety

**REASON FOR LEGISLATION:**

## **D I S C U S S I O N**

A review and update of language and fees charged to reflect the current permit status.

Clarification of the order in which City Departments approve the move permit and route directions within the City limits. Replacement of private utility company names with a local provider description.

Removal of permit requirement and fees for structures fourteen feet wide or less. These structures are covered under an over-dimensional permit.

Addition of language to help control and limit the move routes, dates, times of roadway occupancy and number of days in length the permit is valid as approved by the City Traffic Engineer.

Clarification of the process and requirements from the Building and Safety Codes Department on issuance of a house move permit.

**POLICY OR PROGRAM CHANGE:** No

**COST OF TOTAL PROJECT:** Dependent of route length and roadways specified.

**SOURCE OF FUNDS:** Private owners.

**CITY:** None.

**NON CITY:** Private owners/house moving contractors.

**BENEFIT COST:**

**FACT SHEET PREPARED BY:**
