### COMMUNICATIONS SITE SUBLEASE AGREEMENT (TOWER)

This COMMUNICATIONS SITE SUBLEASE AGREEMENT ("**Agreement**") is dated as of \_\_\_\_\_, 200\_\_\_\_, by City of Lincoln ("**Tenant**") and Wireless Land, LP a Texas Limited Partnership ("**Owner**" or "**Landlord**").

For One Dollar (\$1.00) paid to Owner, and other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

#### 1. **Premises.**

(a) Landlord leases a parcel of land ("**Land**") and a tower ("**Tower**") located in the City of Lincoln County of Saunders State of Nebraska, commonly known as County Road 14 and 1 mile road. The Tower and the Land are collectively referred to herein as the "**Property**." The Land is more particularly described in Exhibit A annexed hereto. Landlord hereby subleases to Tenant and Tenant subleases from Landlord subject to the provisions of Paragraph 2 below ("**Effective Date/Due Diligence Period**"), Owner hereby leases to Tenant and Tenant leases from Owner space on the Tower and all access and utility easements necessary or desirable therefor (collectively, "**Premises**") as may be described generally in Exhibit B annexed hereto.

(b) The Premises are located on the Land assigned to the Landlord under that certain lease between Alan Jessen, Glen Jessen, Gary Jessen, and Billy Jean Jessen as **Lessor**, and Landlord, as **Lessee**. Except as otherwise expressly provided herein or except as the terms of the Prime Lease may be in conflict with or inconsistent with the terms provided herein, all of the terms, covenants, and provisions in the Prime Lease are hereby incorporated into and made a part of this Agreement as if fully set forth herein; the Landlord herein being substituted for the Lessor named in the Prime Lease, and the Tenant herein being substituted for the Lessee named in the Prime Lease. To the extent that the provisions of the Prime Lease are in conflict with the provisions of this Agreement, the provisions above as to the respective substitution of the Landlord and Tenant for the Lessor and the Lessee named in the Prime Lease shall not apply. Notwithstanding anything to the contrary contained in this Agreement, if the Prime Lease requires Lessee to obtain Lessor's prior written consent before subleasing or licensing space within Lessee's leased area, then such consent shall be a condition precedent to this Agreement and to each of the parties' rights and responsibilities set forth herein.

2. **Effective Date/Due Diligence Period.** This Agreement shall be effective on the date of full execution hereof ("**Effective Date**"). Beginning on the Effective Date and continuing until the Term Commencement Date as defined in Paragraph 3 below ("**Due Diligence Period**"), Nextel shall only be permitted to enter the Property for the limited purpose of making appropriate engineering and boundary surveys, inspections, and other reasonably necessary investigations and signal, topographical, geotechnical, structural and environmental tests (collectively, "**Investigations and Tests**") that Nextel may deem necessary or desirable to determine the physical condition, feasibility and suitability of the Premises. Upon Nextel's request, Landlord agrees to provide promptly to Nextel copies of all plans, specifications, surveys and Tower maps for the Land and Tower. The Tower map shall include the elevation of all antennas on the Tower and the frequencies upon which each operates. In the event that Nextel determines, during the Due Diligence Period, that the Premises are not appropriate for Nextel's intended use, or if for any other reason, or no reason, Nextel decides not to commence its tenancy of the Premises, then Nextel shall have the right to terminate this Agreement without penalty upon written notice to Landlord at any time during the Due Diligence Period and prior to the Term Commencement Date. Landlord and Nextel expressly acknowledge and agree that Nextel's access to the Property during this Due Diligence Period shall be solely for the limited purpose of performing the Investigations and Tests, and that Nextel shall not be considered an owner or operator of any portion of the Property, and shall have no ownership or control of any portion of the Property (except as expressly provided in this Paragraph 2), prior to the Term Commencement Date.

3. **Term.** The term of Nextel's tenancy hereunder shall commence upon the start of construction of the Tenant Facilities (as defined in Paragraph 6 below) or eighteen (18) months following the Effective Date, whichever first occurs ("**Term Commencement Date**") and shall terminate on the fifth anniversary of the Term Commencement Date ("**Term**") unless otherwise terminated as provided herein. Tenant shall have the right to extend the Term for five (5) successive five (5) year periods ("**Renewal Terms**") on the same terms and conditions as set forth herein. This Agreement shall automatically be extended for each successive Renewal Term unless Tenant notifies Landlord of its

intention not to renew prior to commencement of the succeeding Renewal Term. Landlord shall give Tenant one hundred eighty (180) days written notice of its intention not to exercise any renewal option(s) that may be available to it under the Prime Lease; provided that if the Prime Lease is to terminate for any other reason, then the Landlord shall give Tenant as much prior notice of such effective termination date as possible. In either event, Tenant shall have the right to enter into a lease agreement for the Premises directly with Lessor.

4. **Rent.** Within fifteen (15) business days following the Term Commencement Date and on the first day of each month thereafter, Tenant shall pay to Landlord as rent zero and 00/100 Dollars (\$0.00) per month ("**Rent**"). Rent for any fractional month at the beginning or at the end of the Term or Renewal Term shall be prorated. Rent shall be payable to Landlord at 2718 Fairmont Street, Dallas, TX 75205; Attention: Lease Processing. All of Tenant's monetary obligations set forth in this Agreement are conditioned upon Tenant's receipt of an accurate and executed W-9 Form from Landlord.

5. **Use.** From and after the Term Commencement Date, the Premises may be used by Tenant for any lawful activity in connection with the provision of communications services, and Tenant shall have the ongoing right to perform such Investigations and Tests as Tenant may deem necessary or desirable. Landlord agrees to cooperate with Tenant, at Tenant's expense, in making application for and obtaining all licenses, permits and any and all other necessary approvals that may be required for Tenant's intended use of the Premises.

6. **Facilities; Utilities; Access.**

(a) Tenant has the right to construct, erect, maintain, test, replace, remove, operate and upgrade on the Premises communications facilities, including without limitation utility lines, transmission lines, an air conditioned equipment shelter(s), electronic equipment, transmitting and receiving antennas, a standby power generator, and supporting equipment and structures therefor ("**Tenant Facilities**"). In connection therewith, Tenant has the right to do all work necessary to prepare, maintain and alter the Premises for Tenant's business operations and to install transmission lines connecting the antennas to the transmitters and receivers. All of Tenant's construction and installation work shall be performed at Tenant's sole cost and expense and in a good and workmanlike manner. Tenant shall hold title to the Tenant Facilities and all of the Tenant Facilities shall remain Tenant's personal property and are not fixtures. Tenant has the right to remove the Tenant Facilities at its sole expense on or before the expiration or earlier termination of this Agreement, and Tenant shall repair any damage to the Premises caused by such removal. Upon the expiration or earlier termination of this Agreement, Tenant shall remove the Tenant Facilities from the Property.

(b) Tenant shall pay for the electricity it consumes in its operations at the rate charged by the servicing utility company. Tenant shall have the right to draw electricity and other utilities from the existing utilities on the Property or obtain separate utility service from any utility company that will provide service to the Property. Landlord agrees to sign such documents or easements as may be required by said utility companies to provide such service to the Premises, including the grant to Tenant or to the servicing utility company at no cost to the Tenant, of an easement in, over, across or through the Land as required by such servicing utility company to provide utility services as provided herein. Any easement necessary for such power or other utilities will be at a location acceptable to Landlord and the servicing utility company.

(c) Tenant, Tenant's employees, agents and contractors shall have access to the Premises without notice to Landlord twenty-four (24) hours a day, seven (7) days a week, at no charge. Landlord grants to Tenant, and Tenant's agents, employees and contractors, a non-exclusive right and easement for pedestrian and vehicular ingress and egress across the Property as may be described generally in Exhibit B.

(d) Landlord shall maintain all access roadways from the nearest public roadway to the Premises in a manner sufficient to allow pedestrian and vehicular access at all times under normal weather conditions. Landlord shall be responsible for maintaining and repairing such roadways, at its sole expense, except for any damage caused by Tenant's use of such roadways.

7. **Interference.**

(a) Tenant shall operate the Tenant Facilities in compliance with all Federal Communications Commission ("**FCC**") requirements and in a manner that will not cause interference to Landlord or other lessees or licensees of the Property, provided that any such installations predate that of the Tenant Facilities.

(b) Subsequent to the installation of the Tenant Facilities, Landlord will not, and will not permit its lessees or licensees to, install new equipment on or make any alterations to the Property or property contiguous thereto owned or controlled by Landlord, if such

modifications are likely to cause interference with Tenant's operations. In the event interference occurs, Landlord agrees to use best efforts to eliminate such interference in a reasonable time period. Landlord's failure to comply with this paragraph shall be a material breach of this Agreement.

8. **Taxes.** If personal property taxes are assessed, Tenant shall pay any portion of such taxes directly attributable to the Tenant Facilities. Landlord shall pay all real property taxes, assessments and deferred taxes on the Property.

9. **Waiver of Landlord's Lien.**

(a) Landlord waives any lien rights it may have concerning the Tenant Facilities, all of which are deemed Tenant's personal property and not fixtures, and Tenant has the right to remove the same at any time without Landlord's consent.

(b) Landlord acknowledges that Tenant has entered into a financing arrangement including promissory notes and financial and security agreements for the financing of the Tenant Facilities ("**Collateral**") with a third party financing entity (and may in the future enter into additional financing arrangements with other financing entities). In connection therewith, Landlord (i) consents to the installation of the Collateral; (ii) disclaims any interest in the Collateral, as fixtures or otherwise; and (iii) agrees that the Collateral shall be exempt from execution, foreclosure, sale, levy, attachment, or distress for any Rent due or to become due and that such Collateral may be removed at any time without recourse to legal proceedings.

10. **Termination.** This Agreement may be terminated without further liability on thirty (30) days prior written notice as follows: (i) by either party upon a default of any covenant or term hereof by the other party, which default is not cured within sixty (60) days of receipt of written notice of default, except that this Agreement shall not be terminated if the default cannot reasonably be cured within such sixty (60) day period and the defaulting party has commenced to cure the default within such sixty (60) day period and diligently pursues the cure to completion; provided that the grace period for any monetary default is ten (10) days from receipt of written notice; or (ii) by Tenant if it does not obtain or maintain any license, permit or other approval necessary for the construction and operation of the Tenant Facilities; or (iii) by Tenant if Tenant is unable to occupy and utilize the Premises due to an action of the FCC, including without limitation, a take back of channels or change in frequencies; or (iv) by Tenant if any environmental report for the Property reveals the presence of any Hazardous Material after the Term Commencement Date; or (v) by Tenant if Tenant determines that the Premises are not appropriate for its operations for economic or technological reasons, including, without limitation, signal interference; or (vi) by Tenant if the Landlord fails to deliver to Tenant an executed memorandum of agreement or non-disturbance and attornment agreement pursuant to Paragraphs 19(g) and (h) below.

11. **Destruction or Condemnation.** If the Premises or Tenant Facilities are damaged, destroyed, condemned or transferred in lieu of condemnation, Tenant may elect to terminate this Agreement as of the date of the damage, destruction, condemnation or transfer in lieu of condemnation by giving notice to Landlord no more than forty-five (45) days following the date of such damage, destruction, condemnation or transfer in lieu of condemnation. If Tenant chooses not to terminate this Agreement, Rent shall be reduced or abated in proportion to the actual reduction or abatement of use of the Premises.

12. **Insurance.** Tenant, at Tenant's sole cost and expense, shall procure and maintain on the Premises and on the Tenant Facilities, bodily injury and property damage insurance with a combined single limit of at least One Million and 00/100 Dollars (\$1,000,000.00) per occurrence. Such insurance shall insure, on an occurrence basis, against all liability of Tenant, its employees and agents arising out of or in connection with Tenant's use of the Premises, all as provided for herein. Landlord, at Landlord's sole cost and expense, shall procure and maintain on the Property, bodily injury and property damage insurance with a combined single limit of at least One Million and 00/100 Dollars (\$1,000,000.00) per occurrence. Such insurance shall insure, on an occurrence basis, against all liability of Landlord, its employees and agents arising out of or in connection with Landlord's use, occupancy and maintenance of the Property. Each party shall be named as an additional insured on the other's policy. Each party shall provide to the other a certificate of insurance evidencing the coverage required by this paragraph within thirty (30) days following the Effective Date.

13. **Waiver of Subrogation.** Landlord and Tenant release each other and their respective principals, employees, representatives and agents, from any claims for damage to any person or to the Property or the Premises or to the Tenant Facilities or any other property thereon caused by, or that result from, risks insured against under any insurance policies carried by the parties and in force at the time of any such damage. Landlord and Tenant shall cause

each insurance policy obtained by them to provide that the insurance company waives all right of recovery by way of subrogation against the other in connection with any damage covered by any policy. Neither Landlord nor Tenant shall be liable to the other for any damage caused by fire or any of the risks insured against under any insurance policy required by Paragraph 12.

**14. Liability and Indemnity.** Landlord and Tenant shall each indemnify, defend and hold the other harmless from and against all claims, losses, liabilities, damages, costs, and expenses (including reasonable attorneys' and consultants' fees, costs and expenses) (collectively "Losses") arising from the indemnifying party's breach of any term or condition of this Agreement or from the negligence or willful misconduct of the indemnifying party's agents, employees or contractors in or about the Property. The duties described in this Paragraph 14 shall apply as of the Effective Date of this Agreement and survive the termination of this Agreement.

**15. Assignment and Subletting.** Tenant may not assign, or otherwise transfer all or any part of its interest in this Agreement or in the Premises without the prior written consent of Landlord; provided, however, that Tenant may assign its interest to its parent company, any subsidiary or affiliate of it or its parent company or to any successor-in-interest or entity acquiring fifty-one percent (51%) or more of its stock or assets, subject to any financing entity's interest, if any, in this Agreement as set forth in Paragraph 9 above. Upon assignment, Tenant shall be relieved of all future performance, liabilities, and obligations under this Agreement, provided that the assignee assumes all of Tenant's obligations herein. Landlord may assign this Agreement, which assignment may be evidenced by written notice to Tenant within a reasonable period of time thereafter, provided that the assignee assumes all of Landlord's obligations herein, including but not limited to, those set forth in Paragraph 9 ("Waiver of Landlord's Lien") above. This Agreement shall run with the Property and shall be binding upon and inure to the benefit of the parties, their respective successors, personal representatives, heirs and assigns. Notwithstanding anything to the contrary contained in this Agreement, Tenant may assign, mortgage, pledge, hypothecate or otherwise transfer without notice or consent its interest in this Agreement to any financing entity, or agent on behalf of any financing entity to whom Tenant (i) has obligations for borrowed money or in respect of guaranties thereof, (ii) has obligations evidenced by bonds, debentures, notes or similar instruments, or (iii) has obligations under or with respect to letters of credit, bankers acceptances and similar facilities or in respect of guaranties thereof.

**16. Warranty of Title and Quiet Enjoyment.** Landlord warrants that: (i) Landlord leases the Land and has rights of access thereto; and (ii) Landlord covenants and agrees with Tenant that Tenant may peacefully and quietly enjoy the Premises, provided that Tenant is not in default hereunder after notice and expiration of all cure periods.

**17. Repairs.** Tenant shall repair any damage to the Premises or Property caused by the negligence or willful misconduct of Tenant. Upon expiration or termination hereof, Tenant shall repair the Premises to substantially the condition in which it existed upon start of construction, reasonable wear and tear and loss by casualty or other causes beyond Tenant's control excepted.

**18. Hazardous Material.**

(a) As of the Effective Date of this Agreement: (1) Tenant hereby represents and warrants that it shall not use, generate, handle, store or dispose of any Hazardous Material in, on, under, upon or affecting the Property in violation of any Environmental Law (as defined below), and (2) Landlord hereby represents and warrants that (i) it has no knowledge of the presence of any Hazardous Material located in, on, under, upon or affecting the Property in violation of any Environmental Law; (ii) no notice has been received by or on behalf of Landlord from, and Landlord has no knowledge that notice has been given to any predecessor owner or operator of the Property by, any governmental entity or any person or entity claiming any violation of, or requiring compliance with any Environmental Law for any environmental damage in, on, under, upon or affecting the Property; and (iii) it will not permit itself or any third party to use, generate, handle, store or dispose of any Hazardous Material in, on, under, upon, or affecting the Property in violation of any Environmental Law.

(b) Without limitation of Paragraph 14, Landlord and Tenant shall each indemnify, defend and hold the other harmless from and against all Losses arising from (i) any breach of any representation or warranty made in this Paragraph 18 by such party; and/or (ii) environmental conditions or noncompliance with any Environmental Law (as defined below) that result, in the case of Tenant, from operations in or about the Property by Tenant or Tenant's agents, employees or

contractors, and in the case of Landlord, from the ownership or control of, or operations in or about, the Property by Landlord or Landlord's predecessors in interest, and their respective agents, employees, contractors, tenants, guests or other parties. The duties described in this Paragraph 18 shall apply as of the Effective Date of this Agreement and survive termination of this Agreement.

(c) **"Hazardous Material"** means any solid, gaseous or liquid wastes (including hazardous wastes), regulated substances, pollutants or contaminants or terms of similar import, as such terms are defined in any Environmental Law, and shall include, without limitation, any petroleum or petroleum products or by-products, flammable explosives, radioactive materials, asbestos in any form, polychlorinated biphenyls and any other substance or material which constitutes a threat to health, safety, property or the environment or which has been or is in the future determined by any governmental entity to be prohibited, limited or regulated by any Environmental Law.

(d) **"Environmental Law"** means any and all federal, state or local laws, rules, regulations, codes, ordinances, or by-laws, and any judicial or administrative interpretations thereof, including orders, decrees, judgments, rulings, directives or notices of violation, that create duties, obligations or liabilities with respect to: (i) human health; or (ii) environmental pollution, impairment or disruption, including, without limitation, laws governing the existence, use, storage, treatment, discharge, release, containment, transportation, generation, manufacture, refinement, handling, production, disposal, or management of any Hazardous Material, or otherwise regulating or providing for the protection of the environment.
