DISCUSSION

The Public Works and Utilities Department has received a request for a use of public right-of-way for the installation of a fiber optic communication line from the UNL City Campus to the Bob Devaney Sports Center Complex.

The City of Lincoln Parks Department has requested that any bore pits be a minimum of 15' from existing street trees. The applicants contractor will also be required to contact Diggers Hotline of Nebraska at 1-800-331-5666 for utility locations prior to commencing construction activities.

This proposed fiber optic communication line occupies approximately 1,271 linear feet of the public right-of-way. The Department of Public Works and Utilities recommends approval of this application with the above described conditions.
