The Hague, 21st June 2005

Dear members of  
Lincoln City Government, Head of Fire-  
and Police Department.

Maybe you find my hobby a strange one but I am  
a collector of business-cards of politici from all over the World.

In my collection the following persons are members of the City  
Government  
Mayors,  
Councillors,  
City Managers  
City/Town Clerk,  
Fire Chief and  
Chief of Police and

in the second place I collect  
City/Town/County Pins and Fire-department and Police-department Pins  
and / or Badges, (this because my father allways has been a Police  
Officer)

Since my sister was elected in the City Council of The Hague (June 2002)  
I started  
this strange hobby and since that moment I have received almost only  
possitive reactions  
on my requests.  
Since I have received the cards of the most Dutch Politici (Including the

card of our Queen Beatrix)  
and Belgium Mayors, Councillors and City/Town Clerks I started, at the end  
of the year 2003, collecting  
the business-cards of the members of the Towns-, Cities- and Counties  
Governments  
of Australia, New Zealand, The United States of America and Canada.

My request to you is: Will you please help me with completing my  
collection  
by sending me the business-card of yourself as member of your  
City-Government,  
Chief of Fire Department and Chief of Police Department.

I hope to receive from you a positive reaction on my request.  
With kindly regards,

Pieter Vonk

PS

Maybe you are interested in the results on my requests.  
Up to now I have received a complete set of Business-cards  
from more than 350 Cities and Counties and more than 130 cities  
sent me an incomplete set. (272 cities have forwarded me also a City Pin,  
Badge of Fire and/or Police Department)  
I have also received business cards of several:  
Boards of Supervisors, Governors, Senators, Canadian Premiers and even  
Dutch and American Secretaries of State and I have also received several  
positive reactions from The United Kingdom.
