<u>Transfer of Contingency Funds for the "Triplets."</u>	_____	_____
_____	_____	_____

DETAILS	POSITIONS/RECOMMENDATIONS	
<p>Funding had been included in the Mayor's Recommended Budget to relocate and rehabilitate three houses at 125,135, and 145 North 22nd Streets, commonly referred to as the "triplets". During the budget process in the summer of 2005, the City Council transferred \$300,000 out of the Urban Development Capital Improvement Program to the Contingency fund pending an inquiry to the Federal government about the necessity of proceeding with this project. It has been reaffirmed by the Federal Government that the City is obligated to do this project. This resolution transfers the funding from Contingency back to the Urban Development CIP so this project can proceed on schedule as part of the Antelope Valley project.</p>	Sponsor	Marc Wullschleger
