

**GENERAL
FACT SHEET**

BRIEF TITLE			REASON

DETAILS

<p>Reason for Legislation</p> <p>This is a license agreement with Verizon Wireless to locate telecommunications facilities on Parks department property at Holmes Lake. The specific location is 3801 S. 70th. The agreement is for 10 years with 3 five year options. The application is a 3 provider monopoly. The rent for placement of antennas on this extension is \$25,680 per year beginning in month 37. The Urban Design Committee had previously reviewed this application and approved it with certain landscaping conditions and subsequent applications which are similar. The Parks Advisory Board has also previously approved this application.</p>
<p>Discussion (Including Relationship to other Council Actions)</p> <p>This is a continuation of allowing telecommunication placements on City properties at locations that do not interfere with City functions. Where such placements are on City property, the City has much more ability to require that the goals of the City's wireless ordinance be met (colocation, stealth, etc).</p>
