

Public Hearing: March 19, 2007

F A C T S H E E T

TITLE: Amending Chapter 8.32.060 of the LMC to change the hours of operation at the Bluff Road and North 48th Street solid waste disposal sites.

SPONSOR: Public Works & Utilities

OPPONENTS:

STAFF RECOMMENDATION:

OTHER DEPARTMENTS AFFECTED:

None

APPLICANT: Public Works & Utilities

REASON FOR LEGISLATION: Hours of operation that are identical for both disposal sites will be less confusing for the general public and waste haulers. The proposed hours will provide greater access to the Transfer Station for the general public to dispose of solid waste. The change in hours will not result in additional costs for the operation of either disposal site.

N. 48th Street hours are increased from closure at 3:00 p.m. to closure at 4:15 p.m., Monday through Friday; and continue the 3:00 p.m. closure on Saturday and 12:00 noon closure on Sunday. These changes apply to both the Transfer Station and the Construction and Demolition Landfill. The longer hours of operation for disposal of construction and demolition materials during daylight savings time are not impacted by these changes.

Bluff Road hours are increased from closure at 1:00 p.m. to closure at 3:00 p.m. on Saturday and are increased from opening at 9:00 a.m. to opening at 6:45 a.m. and decreased from closure at 12:30 p.m. to closure at 12:00 noon on Sunday. These changes apply to both the Landfill and the Composting Facility.

POLICY OR PROGRAM CHANGE: No
