A catering license allows a retail licensee to deliver, sell or dispense alcoholic liquors, including beer, for consumption at a location designated on a Special Designated License (SDL). The catering license is renewed in the same manner and time as the retail license held by the licensee. A licensee shall not cater an event unless a SDL has been obtained. An applicant seeking a SDL must be filed with the local governing body where the event is to be held at least 21 days prior to the event.
