DETAILS

POLICY/PROGRAM IMPACT

A contract to provide waste hauling services to all City of Lincoln departments using a single contractor, Waste Connections of Nebraska. Contract will begin on November 1, 2009 and be in effect for 2 years. Waste hauling services had been provided by numerous vendors in the past. The new contract will significantly reduce the cost of waste hauling for the City of Lincoln, Lancaster County and Public Building Commission. The contract also allows for continuous monitoring of all locations to reduce the amount of waste going to the landfill and increase the amount of waste being recycled.
