| | | |

DETAILS

POSITIONS/RECOMMENDATIONS

| | | |
|---|--|--|
| <p>The Lincoln-Lancaster County Health Department (LLCHD) proposes to update the Lincoln-Lancaster County Air Pollution Control Program Regulations and Standards to address new Maximum Achievable Control Technology (MACT) standards which apply to specific sources of Hazardous Air Pollutants in Lincoln. In addition, fees are proposed to cover all costs of implementing and administrating these regulations.</p> | Sponsor | Board of Health |
| | Program Departments, or Groups Affected | Environmental Public Health Division, LLCHD and Regulated Air Pollution Sources |
| | Applicants/ Proponents | Applicant Board of Health City Department Health Other Air Pollution Control Advisory Board |
| <p>Discussion (Including Relationship to other Council Actions) The City Council has regularly updated the LLCHD Air Pollution Control Program Regulations and Standards. This assures that the many local businesses, institutions, or industries that are regulated under the Clean Air Act are in compliance with Federal law if they comply with their permit conditions.</p> <p>LLCHD writes and issues air quality permits, conducts inspections, inventories air pollution emissions, provides technical assistance and conducts enforcement actions when necessary. This program will be 100% fee funded by fees charge to regulated businesses that emit Hazardous Air Pollutants.</p> | Opponents | Groups or Individuals None Expected Basis of Opposition |
