**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LINCOLN, NEBRASKA:**

**Section 1. Findings.** The Council (the "**Council**") of The City of Lincoln, Nebraska (the "**City**") hereby finds and determines:

(a) Unless the context hereof shall clearly indicate some other or different meaning, for all purposes hereof, of Ordinance No. 17541 of the City adopted by the Council August 16, 1999 (the "**General Ordinance**"), and of any ordinance hereafter adopted which is amendatory of or supplemental thereto, (i) all words and terms defined herein shall have the respective meanings specified herein and (ii) all words and terms used herein but not defined herein which are defined in the General Ordinance shall have the respective meanings specified therein.

(b) This ordinance constitutes a Series Ordinance and is hereinafter referred to as "this Series Ordinance."

(c) The City is authorized by the Act and the Ordinance to issue parking revenue bonds for the purpose of paying costs incident to off-street motor vehicle parking facilities.

(d) Pursuant to the General Ordinance, the City has previously issued \$13,510,000 original principal amount of its Parking Revenue and Refunding Bonds, Series 1999A, dated September 8, 1999 (the "**Series 1999A Bonds**"), of which \$5,525,000 are outstanding and unpaid (the "**Outstanding 1999A Bonds**").

(e) Pursuant to the General Ordinance and Ordinance No. 17912, adopted by the Council on September 17, 2001 and approved by the Mayor on September 24, 2001 (“**Ordinance No. 17912**”), the City has previously issued \$6,000,000 original principal amount of its Parking Revenue Bonds, Series 2001, dated December 18, 2001 (the “**Series 2001 Bonds**”), of which \$3,850,000 are outstanding and unpaid (the “**Outstanding 2001 Bonds**”).

(f) The Outstanding 1999A Bonds and the Outstanding 2001 Bonds (collectively, the “**Outstanding Bonds**”) are a legal liability against the City, provision for the payment of all or any part of which may be made by the lawful issuance and sale of revenue refunding bonds of the City pursuant to Sections 18-1803 to 18-1805, inclusive, Reissue Revised Statutes of Nebraska, as amended.

(g) It is necessary, desirable, advisable and in the best interest of the City to release the City from certain burdensome covenants and restrictions imposed by the Ordinance securing the Outstanding Bonds and to provide an orderly plan of financing.

(h) The City has on hand no debt service or other sinking fund money for the payment of principal and interest on the Outstanding Bonds, other than legally available funds of the City, if any, which are to be used and applied in accordance with **Section 10**.

(i) The Outstanding Bonds are the only obligations of the City payable from the sources set forth in the General Ordinance and the City has provided for calling for redemption of all or a portion of the Outstanding Bonds in accordance with the provisions of the General Ordinance and Series Ordinances pursuant to which the Outstanding Bonds were issued.

(j) The City has heretofore found and determined, and does hereby find and determine, that it is advisable and in the best interests of the City to provide public motor vehicle off-street parking facilities for the public benefit, safety and convenience of the City and its inhabitants and to finance the same by the issuance of revenue bonds of the City.

(k) In order to provide the funds necessary to pay costs incident to the acquisition, purchase, construction, and installation of certain additions and improvements to the Project, the City shall issue the Series 2010 Bonds hereinafter authorized in one or more series, which shall be payable in the manner provided for in the Ordinance.

(l) Prior to the issuance, sale and delivery of the Series 2010 Bonds herein authorized, the Finance Director shall certify that the conditions set forth in **Section 713** of the General Ordinance for the issuance of Additional Bonds have been satisfied.

**Section 2. Meaning of Words and Terms.** In addition to those words and terms elsewhere defined in the Ordinance, the following words and terms shall have the following meanings, unless some other meaning is plainly intended:

“**Book-Entry Bonds**” means the Series 2010 Bonds registered in the name of a nominee of DTC as the registered owner thereof pursuant to the terms and provisions of the Ordinance.

“**Continuing Disclosure Certificate**” shall mean any Continuing Disclosure Certificate executed and delivered by the City in connection with the issuance and delivery of a series of the Series 2010 Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof.

“**Escrow Agent**” means Wells Fargo Bank, National Association, and any successors and assigns.

**“Escrow Agreement”** means any Escrow Agreement, between the City and the Escrow Agent providing for the deposit, investment and application of a portion of the proceeds of any series of the Series 2010 Bonds to provide for the payment and redemption of the Refunded Bonds.

**“General Ordinance”** has the meaning specified in **Section 1(a)**.

**“Participating Underwriter”** shall have the meaning ascribed thereto in the Continuing Disclosure Certificate.

**“2010 Project”** means such off-street motor vehicle parking facilities as shall be purchased, constructed, installed or otherwise acquired by the City with the proceeds of the Series 2010 Bonds, with earnings on the investment of such proceeds, or from the Surplus Fund, inclusive of renovations, additions, expansions and other improvements to existing off-street motor vehicle parking facilities now owned or hereafter acquired by the City, and all real and personal property, structures, machinery, equipment, appurtenances and other facilities and improvements related thereto.

**“Series 2010 Bonds”** means the City of Lincoln, Nebraska, Parking Revenue and Refunding Bonds, Series 2010, authorized to be issued pursuant to the provisions of **Section 4** in one or more series. The Series 2010 Bonds constitute a Series of Additional Bonds.

**“Street Construction Funds”** means all undesignated balances in the City’s Street Construction Fund.

**“Tax Certificate”** means any Federal Tax Certificate executed and delivered by the City in connection with the issuance of a series of the Series 2010 Bonds, as the same may be amended or supplemented in accordance with the provisions thereof.

**Section 3. Authorization of Series 2010 Bonds.** For the purpose of (a) providing for the payment and redemption of the Outstanding Bonds, and (b) paying the Costs incident to the 2010 Project there are hereby authorized to be issued a Series of Bonds in an aggregate principal amount not to exceed \$30,000,000, which Series of Bonds (a) shall be designated “City of Lincoln, Nebraska, Parking Revenue [and] Refunding Bonds, Series 2010,” (b) may be issued in one or more series and (c) may include Taxable Bonds, with such further designation as shall be determined by the Finance Director to be appropriate.

The Series 2010 Bonds, together with interest thereon, shall be limited obligations of the City payable solely from the Pledged Revenues, the Street Construction Funds, and any other available funds of the City, if any, and shall be a valid claim of the respective Holders thereof only against the money held by the Trustee, the Pledged Revenues, the Street Construction Funds, and any other available funds of the City, if any. The Pledged Revenues and the Street Construction Funds are hereby pledged and assigned for the equal and ratable payment of the Series 2010 Bonds, and shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Series 2010 Bonds, except as may be otherwise expressly authorized in the Ordinance. The City covenants and agrees that if, at any time, the Parking Revenues are insufficient, when applied in the manner provided by the Ordinance, to fully pay the principal of and interest on the Bonds as the same becomes due and to fully fund the Bond Fund, Reserve Fund and Renewal and Replacement Fund, the City will make available to the Trustee from Available Street Funds and other available funds of the City, if any, such amounts as shall be necessary to pay such principal and interest when and as the same shall become due, and to cure any deficiencies in the amounts required to be on deposit in the Bond Fund, Reserve Fund and Renewal and Replacement Fund. The Series 2010 Bonds shall not constitute an indebtedness of the City within the meaning of any constitutional, statutory, or charter limitation upon the creation of general

obligation indebtedness of the City, and the City shall not be liable for the payment thereof out of any moneys of the City other than the Pledged Revenues and the Street Construction Funds pledged for the payment thereof, the Construction Fund, Bond Fund, Reserve Fund, Renewal and Replacement Fund and Surplus Fund, and any other available funds of the City, if any, and all Series 2010 Bonds shall contain a recital to that effect.

**Section 4. Details of Series 2010 Bonds; Authority of Finance Director or City Controller.**

(a) Each series of the Series 2010 Bonds shall be issued in fully registered form without coupons, shall be in denominations of \$5,000 or any integral multiple thereof not exceeding the amount maturing on the applicable August 15, and shall be numbered from R-1 upwards in the order of their issuance.

(b) The Council hereby grants, delegates, authorizes, and directs the Finance Director or the City Controller the absolute, unconditional, and irrevocable right, power and authority to hereafter from time to time (and at any time) exercise his or her own independent judgment and absolute discretion in specifying, setting, designating, determining, establishing, finalizing and appointing, as the case may be, and in each case in accordance with and subject to the provisions of the Ordinance, (1) the date or dates of original issue, and the Principal Payment Date or Dates, of each series of the Series 2010 Bonds, provided that each Principal Payment Date shall be on August 15; (2) the principal amount of each series of Series 2010 Bonds to be issued (provided that the aggregate principal amount of all Series 2010 Bonds issued may not exceed \$30,000,000), and the amount of principal payable on each Principal Payment Date for each series of the Series 2010 Bonds, provided that no such Principal Payment Date for any Series 2010 Bond may be later than August 15, 2031; (3) the interest rate or rates applicable to each series of the Series 2010 Bonds such that the true interest cost of each series of the Series 2010 Bonds shall not exceed 6.50%) and the Interest Payment Dates therefor shall be February 15 and August 15 in each year, beginning on such February 15 or August 15 as either the Finance Director or the City Controller may determine at the time of their issuance; (4) whether any of the Series 2010 Bonds shall be issued as Taxable Bonds, (5) whether or not any or all of the Series 2010 Bonds shall be subject to redemption prior to their stated maturity, and if subject to prior redemption the provisions governing such prior redemption, the nature of any notice to be given in the event of any prior redemption, and any Redemption Price or Prices applicable to any of the Series 2010 Bonds (which shall not exceed 104% of the principal amount then being redeemed); (6) the amount and due date of each Sinking Fund Requirement, if any, for Series 2010 Bonds issued as “term bonds,” provided that each Sinking Fund Requirement due date shall fall on a Principal Payment Date for the Series 2010 Bonds; (7) the form and content, terms and provisions of each bond purchase or similar agreement with respect to the Series 2010 Bonds between the City and Ameritas Investment Corp., as underwriter (the “**Underwriter**”) of each series of the Series 2010 Bonds, and the price at which each series of the Series 2010 Bonds shall be sold to the Underwriter pursuant thereto (which shall not be less than 98.00% of the aggregate principal amount thereof) and the price or prices at which the Underwriter may offer and sell the same to the public, and any other matter relating to sale of such series of the Series 2010 Bonds; (8) the form and content of any preliminary or final official statement or other offering document utilized in connection with the offering and sale of each series of the 2010 Bonds; (9) the amount (or the method of determining the amount), if any, to be deposited from the proceeds of each series of the Series 2010 Bonds in the Interest Account in the Bond Fund and any provisions for the application thereof to the payment of all or a portion of the interest on each series of the Series 2010 Bonds; (10) the amount, if any, to be deposited from the proceeds of each series of the Series 2010 Bonds in an appropriate subaccount in the 2010 Bond Reserve Account established in the Reserve Fund and any subaccounts required to be established therein; (11) the amount, if any, to be deposited from the proceeds of each series of the Series 2010 Bonds in the Renewal and Replacement Fund; (12) the final form or forms of any Series 2010 Bonds issued and of the Trustee’s related certificate of authentication thereon, which forms shall be, respectively, substantially in the forms hereinafter set forth, with such variations, omissions and insertions as are required or permitted by the Ordinance; (13) all of the other terms and

provisions of each series of the Series 2010 Bond not otherwise determined or fixed by the provisions of the Ordinance; (14) the application of the proceeds of each series of the Series 2010 Bonds to refunding the Outstanding Bonds and the date or dates on which the Outstanding Bonds shall be called for payment and redemption, (15) and form and contents of any notice of redemption with respect to the Outstanding Bonds, (16) the form and contents of any Escrow Agreement, and (17) any terms and provisions with respect to any opinion, certificate, instrument, agreement or document deemed to be necessary, advisable or desirable by the Finance Director or the City Controller in connection with issuance, sale and delivery by the City of each series of the Series 2010 Bonds and the redemption of the Outstanding Bonds and which is not in conflict with the Act or the provisions of the Ordinance.

(c) Payment of the principal of any Series 2010 Bond and of the interest thereon at maturity or earlier redemption shall be made upon presentation and surrender of such Series 2010 Bond as the same shall become due and payable at maturity, upon redemption or otherwise, in lawful money of the United States of America at the office of the Trustee. Notwithstanding the foregoing, Book-Entry Bonds held by DTC shall be paid in accordance with **Section 4(e)**.

(d) All Series 2010 Bonds shall be initially issued as Book-Entry Bonds and shall otherwise comply with the provisions of **Section 201** of the General Ordinance.

(e) Notwithstanding any other provisions hereof:

(1) Except as otherwise provided in **Sections 5(f)(3)** and **(4)**, the registered Owner of all of the Series 2010 Bonds shall initially be Cede & Co., as nominee for DTC. Payment of semiannual interest for any Series 2010 Bond registered as of each Record Date in the name of Cede & Co. shall be made by wire transfer of New York clearinghouse or equivalent next-day funds to the account of Cede & Co. on the interest payment date for the Series 2010 Bonds at the address indicated on the Record Date for Cede & Co. in the registry books of the City kept by the Trustee.

(2) Each series of the Series 2010 Bonds shall be initially issued in the form of separate single authenticated fully registered Series 2010 Bonds in the amount of each separate stated maturity for each series of the Series 2010 Bonds. Upon initial issuance, the ownership of such Series 2010 Bonds shall be registered in the registry books of the City kept by the Trustee in the name of Cede & Co., as nominee of DTC. The Trustee and the City may treat DTC (or its nominee) as the sole and exclusive owner of the Series 2010 Bonds registered in its name for the purposes of payment of the principal or Redemption Price of or interest on the Series 2010 Bonds, selecting the Series 2010 Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders, registering the transfer of Series 2010 Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever, and neither the Trustee nor the City shall be affected by any notice to the contrary. Neither the Trustee nor the City shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Series 2010 Bonds under or through DTC or any Participant, or any other person which is not shown on the registration books of the Trustee as being a Bondholder, with respect to the accuracy of any records maintained by DTC or any Participant; the payment by DTC or any Participant of any amount in respect of the principal of, Redemption Price of or interest on the Series 2010 Bonds; any notice which is permitted or required to be given to Bondholders; the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of any series of the Series 2010 Bonds; or any consent given or other action taken by DTC as Bondholder. The Trustee shall pay all of the principal of or Redemption Price and interest on the Series 2010 Bonds only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to the principal of or Redemption Price and interest on the Series 2010

Bonds to the extent of the sum or sums so paid. Except under the conditions of **Sections 5(f)(3)** and **(4)** below, no person other than DTC shall receive an authenticated Series 2010 Bond for each separate stated maturity evidencing the obligation of the City to make payments of principal or Redemption Price and interest pursuant hereto. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to Record Dates, the term "Cede & Co." herein shall refer to such new nominee of DTC.

(3) If DTC gives notice to the City or the Trustee pursuant to its representation letter that it will discontinue providing its services as securities depository with respect to the Series 2010 Bonds, the City shall either appoint a successor securities depository or terminate the book-entry system for the Series 2010 Bonds.

(i) Any successor securities depository must be a clearing agency registered with the Securities and Exchange Commission pursuant to Section 17A of the Securities Exchange Act of 1934 and must enter into an agreement with the City and the Trustee agreeing to act as the depository and clearing agency for all the Series 2010 Bonds. After such agreement has become effective, DTC shall present the Series 2010 Bonds for registration of transfer and the Trustee shall register them in the name of the successor securities depository or its nominee. If a successor securities depository has not accepted such position prior to the effective date of DTC's termination of its services, the book-entry system shall automatically terminate and may not be reinstated without the consent of all the registered owners of the Series 2010 Bonds.

(ii) If the City elects to terminate the book-entry system for the Series 2010 Bonds, it shall so notify the Trustee in writing received by the Trustee not less than thirty (30) days in advance of such date of termination, which date shall be stated in such notice. Not less than ten (10) days in advance of such termination date the City shall provide the Trustee with such number of blank Series 2010 Bonds as the City and the Trustee shall mutually agree upon. From and after such termination date, upon presentation of the Series 2010 Bonds, or any of them, by DTC or its nominee to the Trustee for registration of transfer, the Trustee shall register the transfer and all provisions of **Section 4(f)** shall immediately cease to be in effect.

(4) The City may elect to terminate the book-entry system for the Series 2010 Bonds at any time by giving written notice to DTC and the Trustee. On the effective date of such termination, the provisions of **Section 4(f)** shall cease to be in effect, except that the Trustee shall continue to comply with applicable provisions of the representation letter with respect to Series 2010 Bonds as to which DTC remains the registered owner. After such termination, the Trustee shall, upon presentation of Series 2010 Bonds by DTC or its nominee for registration of transfer or exchange, make such transfer or exchange.

(5) Upon the appointment of a successor securities depository or termination of the book-entry system, the Trustee shall give notice of such event to the registered owners of Series 2010 Bonds (through DTC) and (1) of the name and address of the successor securities depository or (2) that Series 2010 Bonds may now be obtained by the beneficial owners of the Series 2010 Bonds, or their nominees, upon proper instructions being given to DTC by the relevant Participant and compliance by DTC with the provisions hereof regarding registration of transfers.

(6) Notwithstanding any other provision hereof to the contrary, so long as any Series 2010 Bond is registered in the name of Cede & Co., as nominee of DTC (or any successor nominee), all payments with respect to the principal of and premium, if any, and interest on such Series 2010 Bond and all notices with respect to such Series 2010 Bond shall be made and given, respectively, to DTC as provided in the representation letter.

(7) In connection with any notice or other communication to be provided to Bondholders, the City or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than 30 calendar days in advance of such record date to the extent possible.

(f) Series 2010 Bonds issued upon transfer or exchange of Series 2010 Bonds shall be dated as of the date of original issue or the interest payment date six months preceding the interest payment date next following the date of registration thereof in the office of the Trustee, as shall be appropriate, unless such date of registration shall be an interest payment date, in which case they shall be dated as of such date of registration; provided, however, that if, as shown by the records of the Trustee, interest on the Series 2010 Bonds shall be in default, the Series 2010 Bonds issued in lieu of Series 2010 Bonds surrendered for transfer or exchange may be dated as of the date to which interest has been paid in full on the Series 2010 Bonds surrendered; and provided further, that if the date of registration shall be prior to the first interest payment date, the 2010 Bonds shall be dated as of their date of original issue. The Series 2010 Bonds shall bear interest from their date.

(g) When any of the Series 2010 Bonds shall have been duly called for redemption and payment thereof duly made or provided for, interest thereon shall cease from and after the date specified for the redemption thereof.

(h) Both the principal of and interest on the Series 2010 Bonds shall be payable at the office of the Trustee in any coin or currency of the United States of America which at the time of such payment is legal tender for public and private debts.

(i) The Series 2010 Bonds shall be signed by the facsimile signature of the Mayor and countersigned by the facsimile signature of the Finance Director and shall have imprinted thereon a facsimile of the seal of the City.

(j) The Finance Director or the City Controller, in his or her discretion, may authorize the printing of CUSIP identification numbers on the Series 2010 Bonds. In the event such numbers are imprinted on the Series 2010 Bonds, no such number shall constitute a part of the contract evidenced by the particular Series 2010 Bond upon which it is imprinted, and no liability shall be attached to the City, or to any officer or agent thereof, including the Trustee, by reason of such numbers or any use made thereof, including any use thereof made by the City, any such officer, the Trustee, or by reason of any inaccuracy, error or omission with respect thereto or in such use.

(k) The Series 2010 Bonds, registration provisions, form of authentication and form of assignment pertaining thereto shall be substantially in the forms set forth below with such changes as may be determined by the Finance Director or the City Controller and such other necessary or appropriate variations, omissions and insertions as are incidental to series designation, numbering, denominations, interest rate or rates, registration provisions, redemption provisions and other details thereof or as are otherwise permitted or required by law or the Ordinance.

(l) The Book-Entry Series 2010 Bonds shall be in substantially the following form:

(1) **Section 504** of Ordinance No. 17541 is hereby amended to read as follows:

Section 504. Application of Money in Interest Account. Prior to or on each Interest Payment Date or date upon which Bonds are to be redeemed, the Trustee shall withdraw from the Interest Account and remit or set aside for each Owner of Bonds, as is appropriate, the amount required to pay interest on such Bonds when due.

In the event the balance in the Interest Account is insufficient for the payment of interest due on the Bonds on any Interest Payment Date, the City Treasurer and/or the Trustee, as the case may be, shall transfer to such account such amount as may be necessary to remedy the deficiency therein first by a transfer thereto from the Revenue Fund, next from the Reserve Fund, next from the Surplus Fund, and then from the Renewal and Replacement Fund. If balances in the appropriate account in the Reserve Fund, Surplus Fund and Renewal and Replacement Fund are insufficient to make up such deficiency, the City covenants and agrees that it will pay to the Trustee from Available Street Funds, Street Construction Funds and other available funds of the City, if any, such amounts as shall be necessary to remedy such deficiency.

(2) **Section 505** of Ordinance No. 17541 is hereby amended to read as follows:

Section 505. Application of Money in Principal Account. Prior to or on each Principal Payment Date or date upon which Serial Bonds are to be redeemed, the Trustee shall withdraw from the Principal Account and set aside for each Owner of Serial Bonds the amount required to pay principal of such Bonds when due.

If at any date there shall be money in the Principal Account and no Serial Bonds shall be then Outstanding, the money therein shall be withdrawn by the Trustee and deposited in the Sinking Fund Account.

In the event the balance in the Principal Account is insufficient for the payment of principal due on Serial Bonds on any Principal Payment Date, the City Treasurer and/or the Trustee, as the case may be, shall transfer to such account such amount as may be necessary to remedy the deficiency therein first by a transfer thereto from the Revenue Fund, next from the Reserve Fund, next from the Surplus Fund, and then from the Renewal and Replacement Fund. If balances in the appropriate account in the Reserve Fund, Surplus Fund and Renewal and Replacement Fund are insufficient to make up such deficiency, the City covenants and agrees that it will pay to the Trustee from Available Street Funds, the Street Construction fund and other available funds of the City, if any, such amounts as shall be necessary to remedy such deficiency.

(3) **Section 506** of Ordinance No. 17541 is hereby amended to read as follows:

Section 506. Application of Money in Sinking Fund Account. Money held for the credit of the Sinking Fund Account shall be applied to the retirement of Term Bonds as follows:

(a) The Trustee shall endeavor to purchase and cancel Term Bonds or portions thereof then subject to redemption by operation of the Sinking Fund Account at the most advantageous price obtainable with reasonable diligence, such price not to exceed the unpaid principal amount of each such Term Bond plus accrued interest to the date of purchase which would be payable on the next redemption date to the Holders of such Term Bonds under the provisions of Article III of this Ordinance if such Term Bonds or portions thereof were to be called for redemption on such date, plus accrued interest to the date of purchase. The Trustee shall pay the interest accrued on such Term Bonds or portions thereof to the date of settlement therefor from the Interest Account and the purchase price from the Sinking Fund Account, but no such purchase shall be made by the Trustee from money in the Sinking Fund Account within the period of forty-five (45) days immediately preceding the next redemption date on which such Term Bonds are subject to redemption. The aggregate purchase prices of such Term Bonds of each Series so purchased shall not exceed the amount deposited in the Sinking Fund Account on account of the Sinking Fund Requirement for such Term Bonds of

such Series; provided, however, that if in any Bond Year the amount held for the credit of the Sinking Fund Account plus the principal amount of all Term Bonds purchased during such Bond Year pursuant to the provisions of this paragraph (a) exceeds the aggregate Sinking Fund Requirements for all Term Bonds then Outstanding for such Bond Year, the Trustee shall endeavor to purchase any Term Bonds then Outstanding with such excess money;

(b) The Trustee shall call for redemption on their respective redemption dates, Term Bonds or portions thereof then subject to redemption in a principal amount equal to the aggregate Sinking Fund Requirement for the Term Bonds of each Series, less the principal amount of any such Term Bonds retired by purchase pursuant to clause (a) of this Section. If the amount available in the Sinking Fund Account on each such redemption date is not equal to the Sinking Fund Requirement for the Term Bonds of each such Series for such Bond Year less the principal amount of any such Term Bonds so retired by purchase, the Trustee shall apply the amount available in the Sinking Fund Account to the redemption of all Term Bonds then subject to redemption in proportion to the Sinking Fund Requirement for such Bond Year for the Term Bonds of each Series then Outstanding. Such redemption shall be made pursuant to the provisions of Article III of this Ordinance. If such date is the stated maturity date of any such Term Bonds, the Trustee shall not call such Term Bonds for redemption but, prior to or on such maturity date, shall withdraw from the Sinking Fund Account and set aside the amount required for paying the principal of such Term Bonds when due and payable. Prior to calling Term Bonds or portions thereof for redemption, the Trustee shall withdraw from the Interest Account and the Sinking Fund Account and set aside in separate accounts the respective amounts required for paying the interest on and the Redemption Price of the Term Bonds or portions thereof so called for redemption.

If at any date there shall be money in the Sinking Fund Account and no Term Bonds shall be then Outstanding, the money therein shall be withdrawn by the Trustee and deposited in the Principal Account.

In the event the balance in the Sinking Fund Account is insufficient for the payment of the Redemption Price of the Term Bonds on the next ensuing payment date, the City Treasurer and/or the Trustee, as the case may be, shall transfer to such account such amount as may be necessary to remedy the deficiency therein first from transfers thereto from the Revenue Fund, next from the Reserve Fund, next from the Surplus Fund and then from the Renewal and Replacement Fund. If balances in the appropriate account in the Reserve Fund, Surplus Fund and Renewal and Replacement Fund are insufficient to make up such deficiency, the City covenants and agrees that it will pay to the Trustee from Available Street Funds, the Street Construction Funds and other available funds of the City, if any, such amounts as shall be necessary to remedy such deficiency.

If, in any Bond Year, by the application of money in the Sinking Fund Account the Trustee should purchase and cancel Term Bonds of any Series in excess of the aggregate Sinking Fund Requirement for such Series for such Bond Year, the Trustee shall file with the City not later than the twentieth day prior to the next date on which Term Bonds of such Series are to be retired a statement identifying the Term Bonds of such Series purchased or delivered during such Bond Year and the amount of such excess. The City shall thereafter cause the Finance Director or the City Controller to file with the Trustee not later than the 10th day prior to such date advice setting forth with respect to the amount of such excess the years in which the Sinking Fund Requirements with respect to Term Bonds of such Series are to be reduced and the amount by which the Sinking Fund Requirements so determined are to be reduced.

Upon the retirement of any Term Bonds by purchase or redemption pursuant to the provisions of this Section, the Trustee shall file with the City a statement identifying such Term Bonds and setting forth the date of purchase or redemption, the amount of the purchase price or the Redemption Price of such Term Bonds and the amount paid as interest thereon. The expenses incurred in connection with the purchase or redemption of any such Term Bonds are required to be paid by the City from funds held by it.

(b) From and after the date upon which none of the Outstanding Bonds remain Outstanding under the Ordinance, the following provisions of Ordinance 17541 are hereby amended to read as set forth below, such amendment not adversely affecting the rights of the Trustee or any Holder of Bonds in the judgment of the Trustee, and are made pursuant to **Section 1101(f)** of Ordinance No. 17541:
