

City Council Introduction: May 23, 2011

Bill Number 11R-122

Public Hearing: June 6, 2011

F A C T S H E E T

TITLE: Agreement with Nebraska Department of Roads (NDOR) for the construction of the 14th Street Bridge over I-80

SPONSOR: Public Works & Utilities

OPPONENTS: Unknown

STAFF RECOMMENDATION: For

OTHER DEPARTMENTS AFFECTED: N/A

APPLICANT: Public Works & Utilities

REASON FOR LEGISLATION: Agreement will allow NDOR to construct a 4" conduit on the bridge for City of Lincoln traffic communications and allow for coordination between NDOR's North 14th Street bridge over I-80 project and the City's North 14th Street project from Superior Street to Alvo Road.

D I S C U S S I O N

The 4" conduit which NDOR will include in the construction of the North 14th Street bridge will allow the City to eventually tie it's fiber optic network for traffic control on the south side of Interstate 80 to the north side.

Coordination will also have to take place between the City's contractor for the North 14th Street project with NDOR's I-80 bridge project. This coordination includes:

- Working with utility companies to ensure that any private infrastructure is out of the way for the new bridge construction.
- Ensuring that the City's contractor for the North 14th Street project works with the State's bridge contractor on traffic control and construction related issues near the bridge.

POLICY OR PROGRAM CHANGE: No

COST OF CONSTRUCTION \$3,087.00

SOURCE OF FUNDS City Funds (14th Street Project)

FACT SHEET PREPARED BY:

Devin Biesecker, Engineering Services
