Memorandum

July 20, 2011

TO: Lincoln City Council
FR: Lynn Johnson, Parks and Recreation Director 
RE: Proposed Amendments to Section 12.08.270 of the Lincoln Municipal Code regarding Alcoholic Liquor in Parks and Recreation Facilities
CC: Mayor Beutler

Thank you for your willingness to consider revisions to regulations regarding serving and consumption of alcoholic beverages in three designated parks and recreation facilities. The purpose of this memo is to let you know I am submitting a motion to amend Bill No. 11-94 for your consideration that will delete the provisions regarding Auld Pavilion and the Prairie Building at the Pioneers Park Nature Center. This motion to amend is in response to concern expressed by a number of our local businesses regarding the potential affect on their business operations of allowing alcoholic beverages to be served in conjunction with rental of these facilities. I am requesting your support of this motion to amend. I also would like to request your support for the remaining provision that would allow alcoholic beverages to be served during performances and productions at Pinewood Bowl as a method of encouraging greater use of this community facility. Please phone me at 402-441-8265 if you have questions.
