COMMENTARY TO ACCOMPANY CONSTRUCTION BONDS

A. GENERAL INFORMATION

There are two types of construction bonds that are required by statutes for public work in many jurisdictions and are widely used for other projects as well.

Construction Performance Bond
Construction Payment Bond

The Construction Performance Bond is an instrument that is used to assure the availability of funds to complete the construction.

The Construction Payment Bond is an instrument that is used to assure the availability of sufficient funds to pay for labor, materials and equipment used in the construction. For public work the Construction Payment Bond provides rights of recovery for workers and suppliers similar to their rights under the mechanics lien laws applying to private work.

The objective underlying the re-writing of construction bond forms was to make them more understandable to provide guidance to users. The intention was to define the rights and responsibilities of the parties, without changing the traditional rights and responsibilities that have been decided by the courts. The new bond forms provide helpful guidance regarding time periods for various notices and actions and clarify the extent of available remedies.

The concept of pre-default meeting has been incorporated into the Construction Performance Bond. All of the participants favored early and informal resolution of the problems that may precipitate a default, but some Surety companies were reluctant to participate in pre-default settings absent specific authorization in the bond form.

The responsibilities of the Owner and the options available to the Surety when a default occurs are set forth in the Construction Performance Bond. Procedures for making a claim under the Construction Payment Bond are set forth in the form.

EJCDC recommends the use of two separate bonds rather than a combined form. Normally the amount of each bond is 100 percent of the contract amount. The bonds have different purposes and are separate and distinct obligations of the Surety. The Surety Association reports that the usual practice is to charge a single premium for both bonds and there is no reduction in premium for using a combined form or for issuing one bond without the other.

B. COMPLETING THE FORMS

Bonds have important legal consequences; consultation with an attorney and a bond specialist is encouraged with respect to federal, state and local laws applicable to bonds and with respect to completing or modifying the bond forms.

Both bond forms have a similar format and the information to be filled in is ordinarily the same on both bonds. If modification is necessary, the modifications may be different.

The bond forms are prepared for execution by the Contractor and the Surety. Evidence of authority to bind the Surety is usually provided in the form of a power of attorney designating the agent who is authorized to sign on behalf of the Surety. The power of attorney should be filed with the signed bonds.

Each bond must be executed separately since they cover separate and distinct obligations.

Preferably the bond date should be the same date as the contract, but in no case should the bond date precede the date of the contract.

EJCDC NO. 1910-26a (1984 Edition)
Prepared through the joint efforts of The Surety Assoc. of America, Engineers' Joint Contract Documents Committee, The Associated General Contractors of America, and the American Institute of Architects.

1. The Contractor and the Surety, jointly and severally, bind themselves their heirs, executors, administrators, successors and assigns to the Owner for the performance of the Construction Contract, which is incorporated herein by reference.
2. If the Contractor performs the Construction Contract, the Surety and the Contractor shall have no obligation under this Bond, except to participate in conferences as provided in Subparagraph 3.1.
3. If there is no Owner Default, the Surety's obligation under this Bond shall arise after:
 - 3.1 The Owner has notified the Contractor and the Surety at its address described in Paragraph 10 below, that the Owner is considering declaring a Contractor Default and has requested and attempted to arrange a conference with the Contractor and the Surety to be held not later than fifteen days after receipt of such notice to discuss methods of performing the Construction Contract. If the Owner, the Contractor and the Surety agree, the Contractor shall be allowed a reasonable time to perform the Construction Contract, but such an agreement shall not waive the Owner's right, if any, subsequently to declare a Contractor Default and
 - 3.2 The Owner has declared a Contractor Default and formally terminated the Contractor's right to complete the contract. Such Contractor Default shall not be declared earlier than twenty days after the Contractor and the Surety have received notice as provided in Sub-paragraph 3.1; and
 - 3.3 The Owner has agreed to pay the Balance of the Contract Price to the Surety in accordance with the terms of the Construction Contract or to a contractor selected to perform the Construction Contract in accordance with the terms of the contract with the Owner.
4. When the Owner has satisfied the conditions of Paragraph 3, the Surety shall promptly and at the Surety's expense take one of the following actions:
 - 4.1 Arrange for the Contractor, with consent of the Owner, to perform and complete the Construction Contract, or
 - 4.2 Undertake to perform and complete the Construction Contract itself, through its agents or through independent contractors: or
 - 4.3 Obtain bids or negotiated proposals from qualified contractors acceptable to the Owner for a contract for performance and completion of the Construction Contract, arrange for a contract to be prepared for execution by the Owner and the contractor selected with the Owner's concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds issued on the Construction Contract, and pay to the Owner the amount of damages as described in Paragraph 6 in excess of the Balance of the Contract Price incurred by the Owner resulting from the Contractor's default, or
 - 4.4 Waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances:
 1. After investigation, determine the amount for which it may be liable to the Owner and as soon as practicable after the amount is determined tender payment therefor to the Owner; or
 2. Deny liability in whole or in part and notify the Owner citing reasons therefor.
5. If the Surety does not proceed as provided in Paragraph 4 with reasonable promptness, the Surety shall be deemed to be in default on this Bond fifteen days after receipt of an additional written notice from the Owner to the Surety demanding that the Surety perform its obligations under this Bond, and the Owner shall be entitled to enforce any remedy available to the Owner. If the Surety proceeds as provided in Subparagraph 4.4 and the Owner refuses payment tendered or the Surety has denied liability, in whole or in part, without further notice the Owner shall be entitled to enforce any remedy available to the Owner.
6. After the Owner has terminated the Contractor's right to complete the Construction Contract, and if the Surety elects to act under Subparagraph 4.1, 4.2, or 4.3 above, then the responsibilities of the Surety to the Owner shall not be greater than those of the Contractor under the Construction Contract, and the responsibilities of the Owner to the Surety shall not be greater than those of the Owner under the Construction Contract. To the limit of the amount of this Bond, but subject to commitment by the Owner of the Balance of the Contract Price to mitigation of costs and damages on the Construction Contract, the Surety is obligated without duplication for:
 - 6.1 The responsibilities of the Contractor for correction of defective work and completion of the Construction Contract;
 - 6.2 Additional legal, design professional and delay costs resulting from the Contractor's Default, and resulting from the actions or failure to act of the Surety under Paragraph 4; and
 - 6.3 Liquidated damages, or if no liquidated damages are specified in the Construction Contract, actual damages caused by delayed performance or non-performance of the Contractor.
7. The Surety shall not be liable to the Owner or others for obligations of the Contractor that are unrelated to the Construction Contract, and the Balance of the Contract Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Bond to any person or entity other than the Owner or its heirs, executors, administrators, or successors.
8. The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related sub-contracts, purchase orders and other obligations.
9. Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the work or part of the work is located and shall be instituted within two years after Contractor Default or within two years after the Contractor ceased working or within two years after the Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this Paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.
10. Notice to the Surety, the Owner or the Contractor shall be mailed or delivered to the address shown on the signature page.
11. When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. The intent is that this Bond shall be construed as a statutory bond and not as a common law bond.
12. Definitions.
 - 12.1 Balance of the Contract Price: The total amount payable by the Owner to the Contractor under the Construction Contract after all proper adjustments have been made, including allowance to the Contractor of any amounts received or to be received by the Owner in settlement of insurance or other claims for damages to which the Contractor is entitled, reduced by all valid and proper payments made to or on behalf of the Contractor under the Construction Contract.
 - 12.2 Construction Contract: The agreement between the Owner and the Contractor identified on the signature page, including all Contract Documents and changes thereto.
 - 12.3 Contractor Default: Failure of the Contractor, which has neither been remedied nor waived, to perform or otherwise to comply with the terms of the Construction Contract.
 - 12.4 Owner Default: Failure of the Owner, which has neither been remedied nor waived, to pay the Contractor as required by the Construction Contract or to perform and complete or comply with the other terms thereof.

 2. With respect to the Owner, this obligation shall be null and void if the Contractor:
 - 2.1 Promptly makes payment, directly or indirectly, for all sums due Claimants, and
 - 2.2 Defends, indemnifies and holds harmless the Owner from all claims, demands, liens or suits by any person or entity who furnished labor, materials or equipment for use in the performance of the Construction Contract, provided the Owner has promptly notified the Contractor and the Surety (at the address described in Paragraph 12) of any claims, demands, liens or suits and tendered defense of such claims, demands, liens or suits to the Contractor and the Surety, and provided there is no Owner Default.
 3. With respect to Claimants, this obligation shall be null and void if the Contractor promptly makes payment, directly or indirectly, for all sums due.
 4. The Surety shall have no obligation to Claimants under this Bond until:
 - 4.1 Claimants who do not have a direct contract with the Contractor have given notice to the Surety (at the address described in Paragraph 12) and sent a copy, or notice thereof to the Owner, stating that a claim is being made under this Bond and with substantial accuracy the amount of the claim.
 - 4.2 Claimants who do not have a direct contract with the Contractor:

Have furnished written notice to the Contractor and sent a copy, or notice thereof, to the Owner, within 90 days after having last performed labor or last furnished materials or equipment included in the claim stating, with substantial accuracy, the amount of the claim and the name of the party to whom the materials were furnished or supplied or for whom the labor was done or performed, and
 2. Have either received a rejection in whole or in part from the Contractor, or not received within 30 days of furnishing the above notice any communication from the Contractor by which the Contractor has indicated the claim will be paid directly or indirectly; and
 3. Not having been paid within the above 30 days, have sent a written notice to the Surety (at the address described in Paragraph 12) and sent a copy, or notice thereof, to the Owner, stating that a claim is being made under this Bond and enclosing a copy of the previous written notice furnished to the Contractor.

 - 6.1 Send an answer to the Claimant, with a copy to the Owner, within 45 days after receipt of the claim, stating the amounts that are undisputed and the basis for challenging any amounts that are disputed.
 - 6.2 Pay or arrange for payment of any undisputed amounts.
 7. The Surety's total obligation shall not exceed the amount of this Bond, and the amount of this Bond shall be credited for any payments made in good faith by the Surety.

The Owner shall not be liable for payment of any costs or expenses of any Claimant under this Bond, and shall have under this Bond no obligations to make payments to, give notices on behalf of, or otherwise have obligations to Claimants under this Bond.
 10. The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders and other obligations.
 11. No suite or action shall be commenced by a Claimant under this Bond other than in a court of competent jurisdiction in the location in which the work or part of the work is located or after the expiration of one year from the date (1) on which the Claimant gave the notice required by Subparagraph 4.1 or Clause 4.1 (iii), or (2) on which the last labor or service was performed by anyone or the last materials or equipment were furnished by anyone under the Construction Contract, whichever of (1) or (2) first occurs. **CITY OF LINCOLN
EXECUTIVE ORDER**

NO. 083319

WHEREAS, there is concern over the inappropriate competitive advantages in the public bidding process for local publicly funded construction and delivery service contracts resulting from the misclassification of individuals performing construction labor services as "independent contractors" rather than "employees"; such "independent contractors" are commonly referred to as "1099 workers" due to the IRS form they receive rather than a W-4 which an employee receives;

WHEREAS, this misclassification of such individuals as "independent contractors" rather than as "employees" eliminates any obligation to pay these individuals legally required minimum or overtime wages, to provide legally required workers' compensation insurance, to make unemployment insurance payments, to pay legally required employment and payroll taxes, and to provide any other health, pension, or benefit such individuals would typically receive if properly classified as employees;

WHEREAS, this misclassification of individuals performing construction labor services for the contractor as "independent contractors" rather than "employees" is a violation of federal and state law, but is difficult to enforce once public construction or delivery service contracts have been bid, awarded, and entered into;

WHEREAS, the use of public funds to compensate contractors who unlawfully avoid their obligation to pay legally required minimum or overtime wages, to provide legally required workers' compensation insurance, to make unemployment insurance payments, to pay legally required employment and payroll taxes, and to provide any other health, pension, or benefit is not in the public interest; and

WHEREAS, the Employee Classification Act, Neb. Rev. Stat. §§ 48-2901 to 48-2912 (effective July 15, 2010) provides that any contract entered into between a political subdivision and a contractor shall require that each contractor who performs construction or delivery service pursuant to the contract submit to the political subdivision an affidavit attesting that (1) each individual performing services for such contractor is properly classified under the Employee Classification Act, (2) such contractor has completed a federal I-9 immigration form and has such form on file for each employee performing services, (3) such contractor has complied with Neb. Rev. Stat. § 4-114 requirements that the contractor register and use a federal immigration employment verification system to determine the work eligibility status of new employees physically performing services in the State of Nebraska, (4) such contractor has no reasonable basis to believe that any individual performing services for such contractor is an undocumented worker, and (5) as of the time of the contract, such contractor is not barred from contracting with the state or any political subdivision pursuant to § 48-2912 of the Employee Classification Act.

NOW, THEREFORE, BY VIRTUE OF THE AUTHORITY VESTED IN ME by the Charter of the City of Lincoln, I hereby establish the following policy as to the bid and award of contracts to contractors for construction and delivery services with the City of Lincoln:

The Purchasing Agent shall immediately include in the City of Lincoln's notice to bidders for construction contracts that all contractors submitting bids in response to the notice shall affirmatively certify to the Purchasing Agent that all individuals hired to perform construction or delivery labor services for the contractor under the contract shall be properly classified as employees and not as independent contractors if the individual does not meet the requirements of an independent contractor under federal and state law (including the requirements of the State of Nebraska Employee Classification Act), and that the contractor will comply with all legal obligations with respect to these employees (including, but not limited to, minimum and overtime pay, workers' compensation, unemployment compensation, and payment of federal and state payroll taxes). The

notice to bidders shall further provide that contractors may use affidavits required pursuant to the Employee Classification Act for this purpose, but that a failure to make the affirmative certification to the Purchasing Agent shall render the bidder ineligible for award of the contract.

The Purchasing Agent shall immediately include the following provisions in contracts for construction or delivery services:

(1) Contractor agrees that each individual performing services for the contractor shall be properly classified as an employee and not as an independent contractor if the individual does not meet the requirements of an independent contractor under the State of Nebraska's Employee Classification Act and that contractor shall comply with all legal obligations with respect to the employee (including, but not limited to, minimum and overtime pay, workers' compensation, unemployment compensation, and payment of federal and state payroll taxes).

(2) Contractor understands and agrees that failure to classify each individual hired to perform services under the contract as an employee rather than as an independent contractor if the individual does not meet the requirements of an independent contractor under the State of Nebraska's Employee Classification Act and/or failure to comply with legal obligations with respect to the employee (including, but not limited to, minimum and overtime pay, workers' compensation, unemployment compensation, and payment of federal and state payroll taxes) shall be considered a breach of the contract and is a grounds for rescission of the contract by the City.

(3) Contractor additionally agrees to include the following provisions in each subcontract entered into with a subcontractor as part of the contractor's contract with the City:

(a) Subcontractor agrees that each individual performing services for the subcontractor shall be properly classified as an employee and not as an independent contractor if the individual does not meet the requirements of an independent contractor under the State of Nebraska's Employee Classification Act and that subcontractor shall comply with all legal obligations with respect to the employee (including, but not limited to, minimum and overtime pay,

workers' compensation, unemployment compensation, and payment of federal and state payroll taxes).

(b) Subcontractor understands and agrees that subcontractor's failure to properly classify individuals hired to perform services under the subcontract as employees and not as independent contractors if the individual does not meet the requirements of an independent contractor under the State of Nebraska's Employee Classification Act and/or failure to comply with legal obligations with respect to the employee (including, but not limited to, minimum and overtime pay, workers' compensation, unemployment compensation, and payment of federal and state payroll taxes) shall be considered a breach of the contract and is a grounds for rescission of the subcontract by the contractor.

(4) Contractor agrees that if subcontractor fails to or is suspected of failing to properly classify each individual hired pursuant to the subcontract as an employee and not as an independent contractor if the individual does not meet the requirements of an independent contractor under the State of Nebraska's Employee Classification Act and/or fails to comply with legal obligations with respect to the subcontractor's employee, the contractor shall take appropriate corrective action including, but not limited to, reporting the suspected violation of the State of Nebraska Employee Classification Act to the Nebraska Department of Labor or rescission of the subcontract by the contractor. Written notification of the corrective action shall be submitted to the City of Lincoln Purchasing Department. Contractor understands and agrees that contractor's failure to take appropriate corrective action shall be considered a breach of the contractor's contract with the City of Lincoln and is a grounds for rescission of the contract by the City.

(5) The City of Lincoln shall notify the Nebraska Department of Labor of any contractor or subcontractor it has determined is in breach of contract due to the terms of this order.

(6) Any contractor or subcontractor who shall have been determined by the Nebraska Department of Labor to have knowingly provided a false affidavit to the City of Lincoln

under the State of Nebraska's Employee Classification Act shall be referred to the Purchasing Agent of the City who shall determine whether to declare such contractor or subcontractor an irresponsible bidder who shall be disqualified from receiving any business from the municipality for a stated period of time, in accordance with Lincoln Municipal Code § 2.18.030(n)(1) or (2).

(7) This policy does not prohibit a contractor or subcontractor from hiring individuals to perform construction labor services as independent contractors, provided that the contractor's or subcontractor's use of such individuals as an independent contractor complies with the criteria found in subdivision 5 of Neb. Rev. Stat. § 48-604 and is otherwise valid under federal and state law and is not intended to circumvent lawful obligations under federal and state law or city contractual requirements.

The City Clerk is directed to send a copy of this Executive Order to Vince Mejer, City Purchasing Agent, for his record.

Dated this 28 day of July, 2010.

Unit Price Service Contract Instructions GENERAL CONSTRUCTION (UNDER \$10,000.00)

The City/County Purchasing Division has established "unit price" bids from our local repair and service contractors in an effort to streamline the process necessary to obtain services from various trades to perform small emergency and routine maintenance and repair for our facilities. Without this type of arrangement the specification and notice to proceed were unduly delayed or administratively prohibitive.

1. **DEFINITIONS:** For the purposes of this process the following definitions shall apply:
 - 1.1 **Unit Price Contract:** This series of contracts for routine maintenance, repair and/or remodel with the Owners for labor and material projects equal to or less than \$10,000.00 per project will establish approved hourly rates for the same utilizing a fair and competitive bid process. The Purchasing Division will require proof of insurance and a \$10,000 payment bond and performance bond from each contractor for the duration of the contract. During the course of the contract period, any Owners Department / Division / Agency may utilize the established unit price contract for maintenance, repair and small remodeling projects under \$10,000. Unit Price Service Contracts shall not include contracts involving: a) any street, alley bridge or highway, or b) the new construction, furnishing, erection or installation of any building or structure.
 - 1.2 **Labor and Materials:** (time and materials) The contractor will be paid for labor and materials instead of charging a fixed price or percentage of costs. Contractor shall provide a quote to the Owners for time and materials for the actual projected labor hours and material incorporated into or used solely for the project.
 - 1.3 **Unit Price Contractor:** Shall mean any person that enters into a Unit Price Service Contract as a service provider.
 - 1.4 **Maintenance and Repair:** Unit price contracts are restricted to ONLY MAINTENANCE, REPAIR SERVICES AND LIMITED REMODELING THAT TOTAL **no more than** \$10,000 FOR THE ENTIRE PROJECT. Project Managers shall not divide work or phase project to avoid this limitation. Maintenance and repair shall be limited in scope to expenditure needed to preserve a property's original status and functionality or to compensate for wear and tear and minor remodeling to improve the regular compliance for the facility.
 - 1.5 **Owners** shall mean the agencies, departments and offices of the City of Lincoln, Lancaster County, or City of Lincoln/Lancaster County Public Building Commission, Nebraska.

- 1.6 **Owner's Project Manager:** The "Project Manager" as used in this process shall mean the Owner's department / division or agency manager / supervisor or by or through that person's duly authorized assistants. The Project Manager shall be responsible for general management (getting quotes, selecting contractor, scheduling work, supervising the work and insuring payment to the contractor for said work) of work performed utilizing the Unit Price Contracts.
- 1.7 **Project:** The Unit Price Contracts are restricted to projects for \$10,000 or less. Projects shall mean the entire scope of the work incorporated into a planned undertaking of related activities to reach an objective that has a beginning and an end.
- 1.8 **Quotation:** A written proposed estimation of the labor and materials of the individual project to determine an appropriate price to complete the work is required for all projects.

2. **SELECTION POLICIES AND PROCEDURES:**

- 2.1 Any Owner Department, Division or Agency may utilize the unit price contracts for small maintenance and repair services with a total project cost of \$10,000 or under.
 - 2.1.1 \$0 to \$10,000: Written (fax is acceptable) price quotes from two or more (if available) approved unit price contractors,
- 2.2 **Right to Audit:** The Purchasing Agent has the right to audit any project for compliance with this procedure. The Purchasing Agent may suspend any Project Manager from using this procedure for non-compliance including, but not limited to the following:
 - 2.2.1 Project is over \$10,000.
 - 2.2.2 Project was subdivided into small phases to avoid the \$10,000 Project limit.
 - 2.2.3 If proper documentation has not been retained by the Project Manager.
 - 2.2.4 If Purchasing Agent has reason to believe the Project Manager is not providing fair and open access to all available Unit Price Contractors for the work covered under this program.
- 2.3 The following is required by Ordinance No. 4.66.100(b): All parties of this Agreement shall be subject to audit pursuant to Chapter 4.66 of the Lincoln Municipal Code and shall make available to a contract auditor, as defined therein, copies of all financial and performance related records and materials germane to the contract, as allowed by law.

INSTRUCTIONS

WHO MUST FILE. Any governmental unit or organization that is **exempt** from sales and use tax may appoint as its agent a prime contractor to purchase building materials and/or fixtures that will be annexed to property that belongs to or will belong to the governmental entity or exempt organization pursuant to a construction contract with the governmental unit or exempt organization. The appointment of the prime contractor as its agent is completed by issuing a Purchasing Agent Appointment and Delegation of Authority for Sales and Use Tax, Form 17, to the prime contractor. The Form 17 is required to be given to the contractor **BEFORE** he or she annexes building materials. The exempt organization or governmental unit must identify the project (e.g., east wing, chapel construction, or new school auditorium).

The exemption from the payment of the Nebraska and local option sales and use taxes only applies if the governmental unit or exempt organization directly or through its contractor pays for the building materials.

WHEN TO FILE. A prime contractor engaging in a construction project with a governmental unit or exempt organization must receive a properly completed and signed Form 17 **BEFORE** any building materials are annexed. If Form 17 is not issued, the contractor must pay the sales and use taxes and the governmental unit or exempt organization may obtain a refund of the taxes paid by the contractor.

WHERE TO FILE. A copy of the completed form should be retained by the governmental unit or exempt organization

Visit our Web site: www.revenue.ne.gov or call 1-800-742-7474 (toll free in NE and IA) or 1-402-471-5729.

issuing the Form 17. The original is to be retained by the prime contractor. Copies of this form must be made by the prime contractor for delegation purposes to any subcontractors working on the project identified on this form.

APPOINTMENT INFORMATION. Enter the dates the purchasing agent appointment will become effective and when it will expire. This appointment will not allow any purchases without payment of the tax by the prime contractor or subcontractor before the effective date or after the expiration date. The dates the delegation becomes effective and the expiration dates must be completed. The phrase "upon completion" or similar phrase is not acceptable as an expiration date. The governmental unit or exempt organization may need to issue another Form 17 if the project is not completed within the prior "effective" and "expiration" dates. Exempt organizations must enter their Nebraska Sales and Use Tax Exemption number.

DELEGATION OF PRIME CONTRACTOR'S AUTHORITY. The prime contractor may delegate his or her authority to act as the purchasing agent of the governmental unit or exempt organization to a subcontractor. The prime contractor must complete his or her copy of Form 17 for each subcontractor who is delegated authority to act as a purchasing agent. Reproductions of this delegation must be provided to the subcontractor, who must retain a copy for his or her records, and to the governmental unit or exempt organization.

Enter the dates the delegation of the subcontractor will become effective, when it will expire, and the portion of the project delegated. This delegation will not allow any purchases without payment of the tax by the subcontractor before the delegation date or after the expiration date. Any further delegation from a subcontractor to additional subcontractors must be delegated by providing a copy of the Form 17 that they received from the prime contractor and attaching it to a separate Form 17 with any further delegation to other subcontractors. The purchasing agent appointment is limited to the contractor's purchase of building materials and/or fixtures for the specific project and is only valid during the appointment dates shown on the Form 17.

EXEMPT SALE CERTIFICATE. A prime contractor who has been appointed to act as a purchasing agent by a governmental unit or exempt organization, and who hires a subcontractor operating as an Option 1 contractor, must provide to that subcontractor a completed copy of Form 17 and a Nebraska Resale or Exempt Sale Certificate, Form 13, with Section C, Part 2, completed. The subcontractor will retain these forms in his or her records, and will not charge the contractor sales tax on any portion of the invoice involving the annexation of materials to the specific project identified on the Form 17. If these forms are not provided to the subcontractor operating under Option 1, the subcontractor must collect and remit sales tax on the charge for the separately stated building materials portion of the invoice. If the Option 1 subcontractor does not separately state the charge

for the building materials from contractor labor, then the entire charge is taxable to the prime contractor.

Contractors operating under Option 2 (maintaining a tax-paid inventory) who have been issued a Form 17 from a governmental unit or an exempt organization, must furnish each vendor a copy of the Form 17 and a Form 13, completing Section C, Part 2, when purchasing building materials that will be annexed to real estate. Forms 13 and 17 must be retained with the vendor's and contractor's records for audit purposes. A contractor or subcontractor may reproduce copies of these documents which will be furnished to the vendors for each invoice or order made by them.

Invoices from vendors for the purchase of building materials by the contractor as purchasing agent, or the authorized subcontractor, must clearly identify that such purchase is for the specific Form 17 project.

CREDIT/REFUND OF SALES AND USE TAX. A contractor or subcontractor who has been appointed as a purchasing agent before any materials are annexed, may withdraw sales or use tax-paid materials from inventory that will be annexed to real estate or used to repair property annexed to real estate and receive a credit for the sales or use tax amount previously paid on those materials.

The contractor or subcontractor may take a credit either against his or her current tax liability, or file a Claim for Overpayment of Sales and Use Tax, Form 7, and receive a refund of the sales or use tax paid on those materials.

TOOLS, EQUIPMENT, AND SUPPLIES. The purchase, rental, or lease of tools, supplies, or equipment (i.e., scaffolding, barricades, machinery, etc.) by a contractor for use in the completion of an exempt project CANNOT be purchased tax free, even if the contractor has been issued a Form 17. These items do not become annexed to the real estate.

OPTION 1 CONTRACTOR ONLY. If an Option 1 contractor is the **only** contractor involved in performing work for a governmental unit or exempt organization, a Form 17 is NOT required. The Option 1 contractor must only obtain a Form 13, Section B, from the exempt project owner.

PENALTY. Any person who signs this document with the intent to evade payment of tax is liable for the sales and use tax, interest, and penalty, and may be found guilty of a misdemeanor. A contractor can confirm the exempt status of a governmental unit or organization by contacting the Nebraska Department of Revenue.

AUTHORIZED SIGNATURE. The Purchasing Agent Appointment must be signed by an officer of the exempt organization or proper government official. The Delegation of Prime Contractor's Authority must be signed by the owner, partner, corporate officer, or other individual authorized to sign by a power of attorney on file with the Nebraska Department of Revenue.
