In reply to: Your request for current Blauer pricing

Dear Jim,

I am writing in regard to your recent request for current pricing information on Blauer garments and products. Please be advised that since November, 2010, we have had a price increase on all of our products of approximately three percent (3%). We anticipate price increases of approximately one percent (1%) in 2013 and 2014.

We have tried to keep our costs as low as possible. Please note that this increase was necessary due to increased costs due to increased costs in raw materials, trim, sewing labor, fuel, transportation and health care.

Please feel free to call me if I may be of further assistance.

Thank you for your continued support of Blauer products.

Sincerely,

Sharyn Blauer Proia
