Dear Chair Eskridge and Council,

Attached is my resume for review for the Council seat appointment. Although I don't have a great deal of government involvement to date, I do have a great love for Lincoln, for local business, and for the future growth and development of the City. I initially came to Lincoln to attend the University of Nebraska, and after graduation I chose to stay to begin my career. I then married a Lincoln Native, we built a house, we created a small business, and we have started our family here. Like many in our fine city, I have a huge stake in its future and hope to have a positive impact.

In order to find the most suitable replacement of Mr. Hornung, I am interested in serving out his term while that candidate is found. Thank you for your consideration in reviewing my resume. I look forward to bringing my unbiased perspective to the Council, as well as promoting Lincoln as a great place to live, work, and play.

Sincerely,  
Amanda Podwinski
