BUILDING & SAFETY DEPARTMENT

Description

Building and Safety's mission is to assure that the health, fire, and housing safety needs of the public are maintained through adherence to those requirements established by law in the construction or use of every building in the community. This includes buildings in which people live, eat, sleep, play, work, worship, study, recuperate or are entertained. By accomplishing this mission, the quality of life in the community is enhanced.

Significant Changes

No significant changes are proposed within the Building & Safety Department for the 2018-2020 Biennium Budget.
