

**ADDENDUM #1
TO SPEC. 07-141**

**Annual Supply of
Radio Batteries**

Addendum #1 to Spec. 07-141 for Annual Supply of Radio Batteries, bids to be opened on Wednesday, May 2, 2007 at 12:00 noon.

Please note the following question received and its answer:

Question 1: A requirement of this Solicitation is that “bidder has capability to pick-up and properly dispose of the City’s used Nickel Cadmium batteries”. Is this a single location where the batteries will be picked up --- or Multiple locations? If Single, which City facility? --- If Multiple, how many locations?

Answer 1: Pick up or Delivery of batteries will be from a single location: 2540 Fair Street, Lincoln, NE

All other terms and conditions to remain unchanged.

Dated this 24th day of April, 2007.
