ADDENDUM #2

Issue Date: 06/29/07

SPECIFICATION NO. 07-211

FOR

CORRECTIONS STAFF CLOTHING, INMATE CLOTHING AND ACCESSORIES

Addenda are written instruments issued by the County prior to the date for receipt of offers which will modify or interpret the specification document by addition, deletion, clarification or correction. Please acknowledge receipt of this addendum in the space provided on your bidding document.

Be advised of the following changes to the County's specification and bidding documents:

1. **Item #19 on the proposal sheet calls for a canvas shoe but the specs call for a leather upper. What do we require?**

Answer: This is all canvas, no leather.

2. **Is the shoe listed as Item #19 a high top or low top?**

Answer: Low Top

3. **What is the usage for all shoes per year?**

Answer: There are a total of over 600 inmates at the various locations in Lincoln. We do not have past usage numbers but believe this contract will allow us to maintain better records of usage in the future.

All other terms, conditions and requirements of the request remain the same as originally indicated in the document or as modified on previous addenda.
