

# MAPP Community Health Assessment Meeting

August 27, 2015

**VISION:** A thriving community where all people are safe  
and healthy.

# Where Are We At?

- \* Three of the four assessments are underway or completed with the Forces of Change Assessment to be done today.
- \* Today we will review the scoring of health issues by the MAPP Committee as well as the public survey.
- \* We will also see if the issues in the Community Health Improvement Plan (CHIP) are consistent with the higher ranked health issues.

# MAPP Timeline/Process

LLCHD MAPP Phase/Description of Activity	2015					
	April	May	June	July	August	Sept
<b>4 MAPP Assessments</b>					CHIP	CHIP
<b>Community Themes &amp; Strengths Assessment</b>						
Hold community dialogues and focus groups						
Develop/disseminate/collect community survey						
Conduct interviews with residents/key leaders						
Compile results/identify challenges and opportunities						
<b>Public Health System Assessment</b>						
Prepare to update LPHSA/establish subcommittee						
Respond to performance measures instrument						
Discuss results/identify challenges and opportunities						
<b>Community Health Status Assessment</b>						
Conduct data collection of core indicators						
Select and collect additional indicators as needed						
<b>Forces of Change Assessment</b>						
Prepare for the Forces of Change Assessment						
Hold brainstorming session with committee						
Simplify list/identify threats and opportunities						

# Priority Issues Scoring Criteria

## One-third weight:

1. Magnitude of the problem
2. Comparison with State (National) Results
3. Historical Trends

## One-third weight: 4. Economic/Social Impact

## One-third weight:

5. Changeability at the local level
6. Capacity of the Local Health System
7. Readiness/Political Will

# Highest Ranked Issues As Scored Upper Quartile

- \* Diabetes (overall & minorities)
- \* STIs (Chlamydia & Gonorrhea)
- \* Excessive and Binge Drinking
- \* Distracted Driving
- \* Obesity
- \* Mental Health
- \* Hypertension
- \* Inadequate Prenatal Care
- \* Colorectal Cancer Screening
- \* Physical Inactivity
- \* Violence/Abuse
- \* Suicide (15-24)
- \* Falls (elderly)
- \* Food Insecurity
- \* Substance Abuse (including prescription drugs)
- \* Heart Disease
- \* Smoking
- \* Dental Caries
- \* Breast Cancer Mortality
- \* LBW Babies (African Americans)
- \* Child Abuse/Neglect
- \* Uninsured/Access (including behavioral health & dental)

# Discussion and Questions?

# Issues Where There is Ongoing Effort or Separate Strategic Plan

- \* Diabetes (overall & minorities)
- \* **STIs (Chlamydia & Gonorrhea)**
- \* Excessive and Binge Drinking
- \* Distracted Driving
- \* Obesity
- \* Mental Health
- \* Hypertension
- \* Inadequate Prenatal Care
- \* **Colorectal Cancer Screening**
- \* Physical Inactivity
- \* Violence/Abuse
- \* Suicide (15-24)
- \* Falls (elderly)
- \* **Food Insecurity**
- \* Substance Abuse (including prescription drugs)
- \* Heart Disease
- \* Smoking
- \* **Dental Caries**
- \* Breast Cancer Mortality
- \* LBW Babies (African Americans)
- \* **Child Abuse/Neglect**
- \* Uninsured/Access (including behavioral health & dental)

# Community Themes and Strengths Assessment

The Community Themes and Strengths Assessment is intended to answer the questions such as:

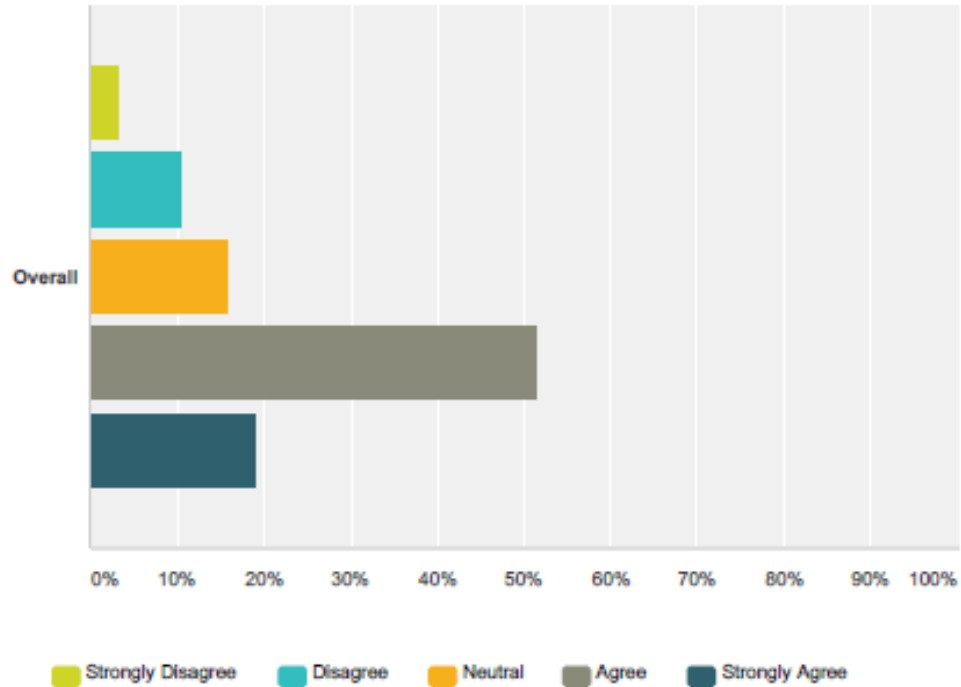

- What is important in our community?
- How is the quality of life perceived in our community?
- What assets do we have that can be used to improve community health?

# Community Themes and Strengths

**Q6 I am satisfied with the health care system (public health, hospitals, doctors, behavioral health services, medical clinics) in Lincoln and Lancaster County.**

Answered: 258 Skipped: 21

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	Total
Overall	3.10% 8	10.47% 27	15.89% 41	51.55% 133	18.99% 49	258

CTS Survey: Now, thinking about what you know from your personal experiences and/or the experiences of others you know, what do you think are the 3 most important "health problems" in your community (problems that have the greatest impact on overall community health)? [Which would be the first to address?]

- \* Mental/behavioral health issues—59.7% [1—31.5%]
- \* Obesity—53.5% [2—21.8%]
- \* Substance or drug abuse/overdose [T5—4.7%]
- \* Health disparities/inequities [3—12.5%]
- \* Diabetes [4—5.4%]
- \* Aging problems [T5—4.7%]
- \* Cancers
- \* Heart disease and stroke
- \* Child abuse/neglect [T5—4.7%]
- \* Domestic violence
- \* Suicide
- \* Infectious disease
- \* High blood pressure
- \* Teenage pregnancy
- \* Sexually transmitted diseases
- \* Dental problems
- \* Unintentional injuries
- \* Respiratory/lung disease
- \* Rape/sexual assault

# Highest Ranked Issues

- \* Diabetes (overall & minorities)
- \* Excessive and Binge Drinking
- \* Distracted Driving
- \* Obesity
- \* Mental Health
- \* Hypertension
- \* Inadequate Prenatal Care
- \* Physical Inactivity
- \* Violence/Abuse
- \* Suicide (15-24)
- \* Falls (elderly)
- \* Substance Abuse (including prescription drugs)
- \* Heart Disease
- \* Smoking
- \* Breast Cancer Mortality
- \* LBW Babies (African Americans)
- \* Uninsured/Access (including behavioral health & dental)

# Forces of Change Assessment

The Forces of Change Assessment answers questions such as:

- \* What is occurring or might occur that affects the health of our community or the local public health system?
- \* What specific threats or opportunities are generated by these occurrences?

# Forces That Influence Health and the Quality of Life in the Community

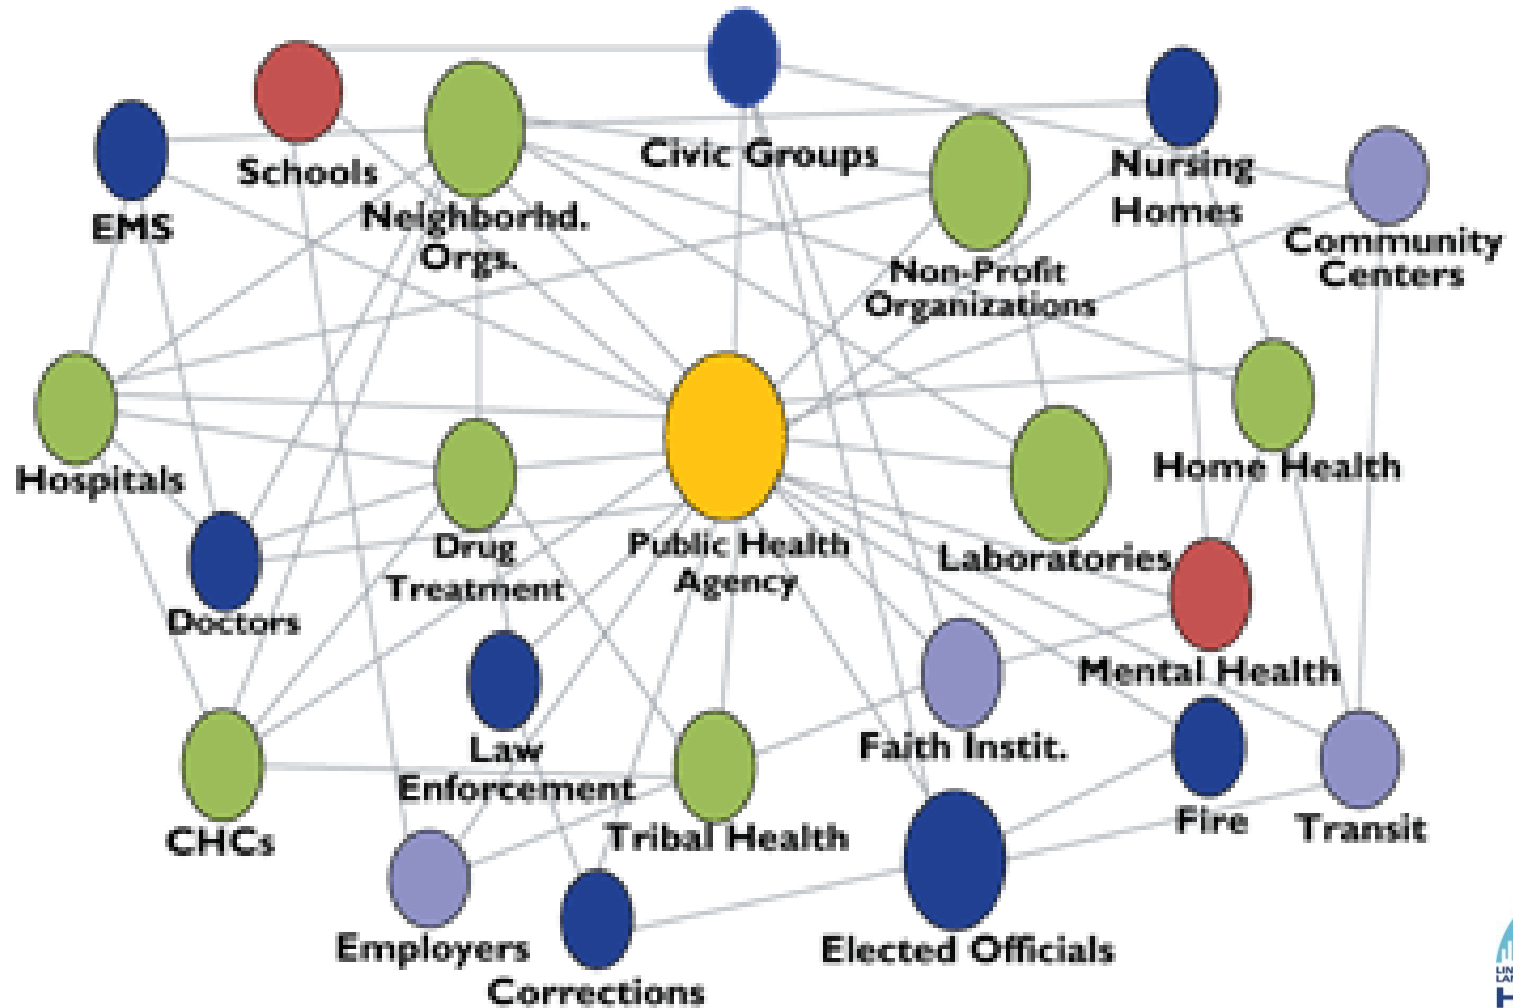

- \* **Trends are patterns over time**, such as migration in and out of a community or a growing elderly population.
- \* **Factors are discrete elements**, such as a community's large college-age population.
- \* **Events are one-time occurrences**, such as a natural disaster, or the passage of new legislation.

# Brainstorming

# Public Health System

# Public Health System Assessment

- \* <https://www.surveymonkey.com/r/PFG9K3Z>
- \* Survey agencies and organizations that make up our local public health system.
- \* Conduct the Local Public Health Performance Standards evaluation.

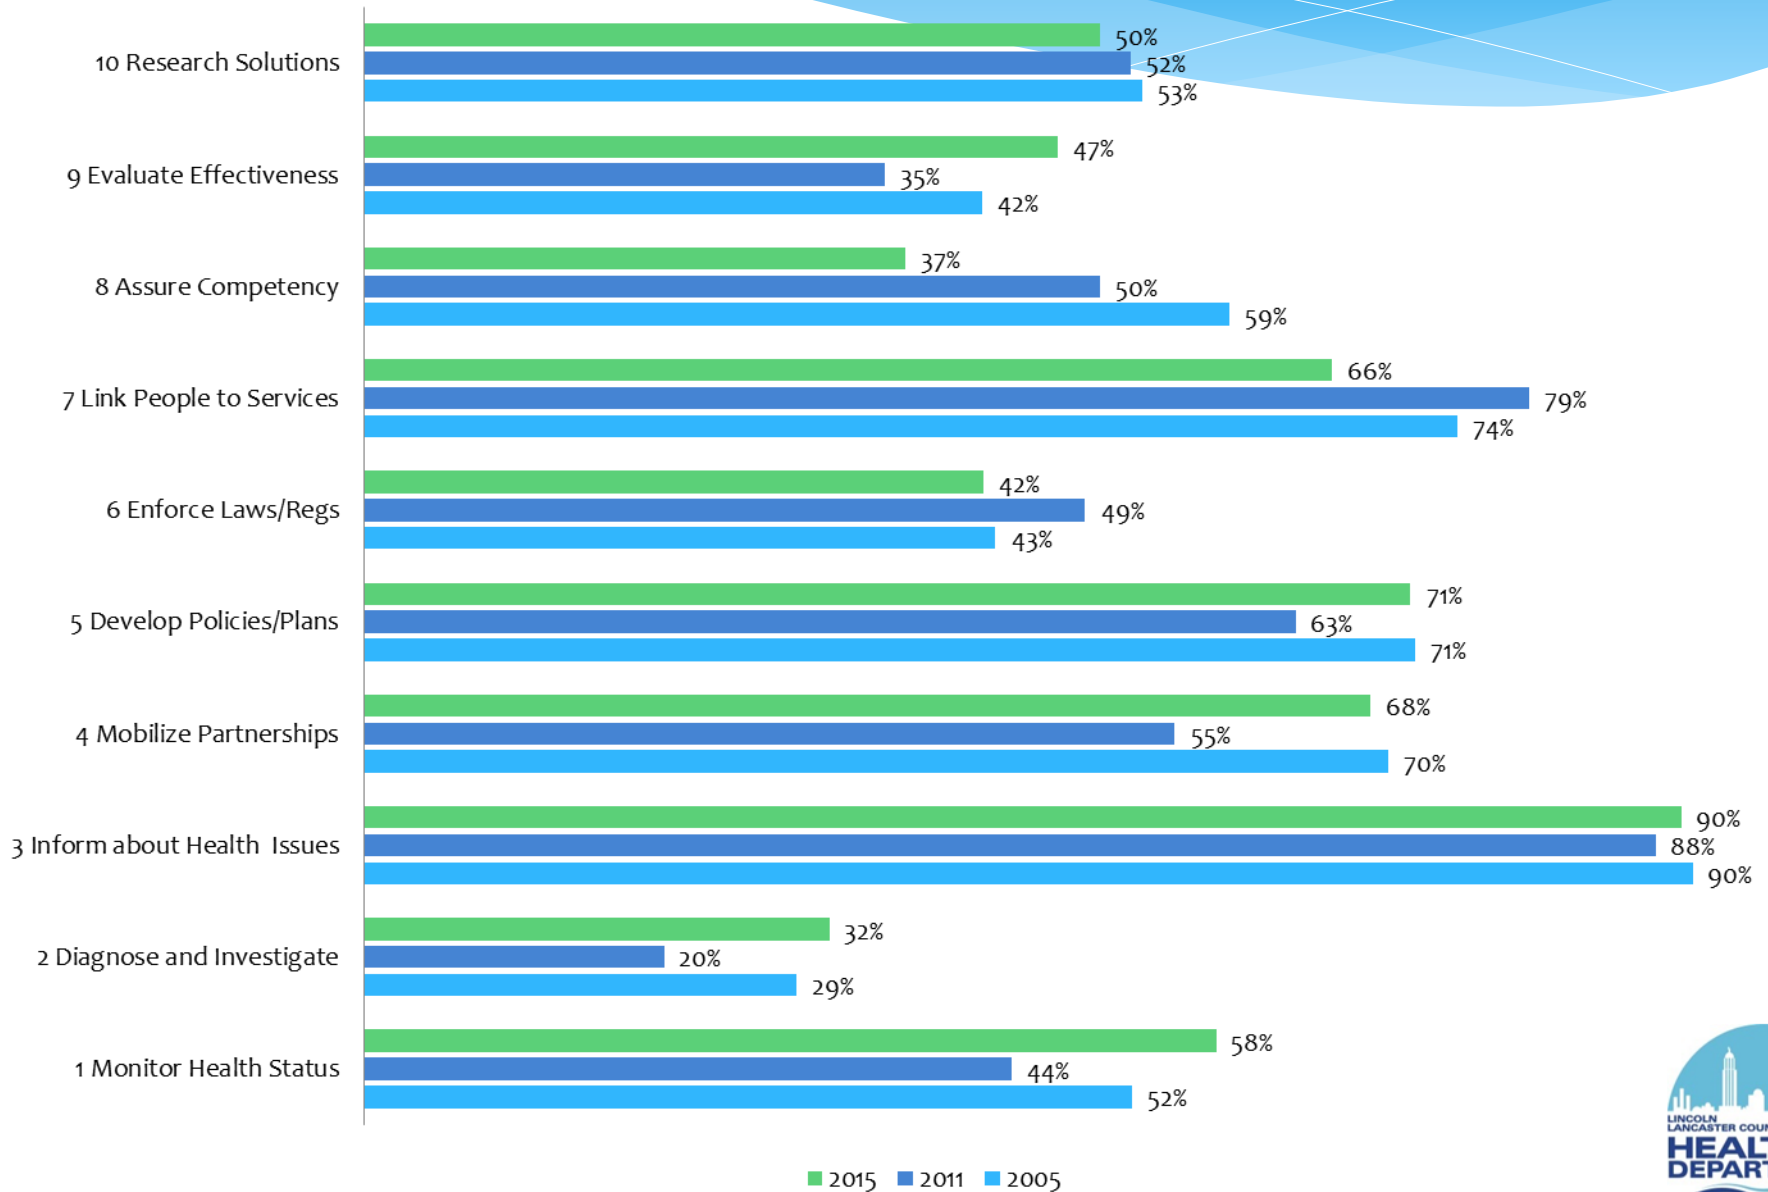

# Ten Essential Services of Public Health

- \* Monitor Health
- \* Diagnose and Investigate
- \* Inform, Educate and Empower
- \* Mobilize Community Partnerships
- \* Develop Policies
- \* Enforce Laws
- \* Link to/Provide Care
- \* Assure Competent Workforce
- \* Evaluate
- \* Research

# Ten Public Health Essential Services, MAPP Survey Results for 2005, 2011 and 2015

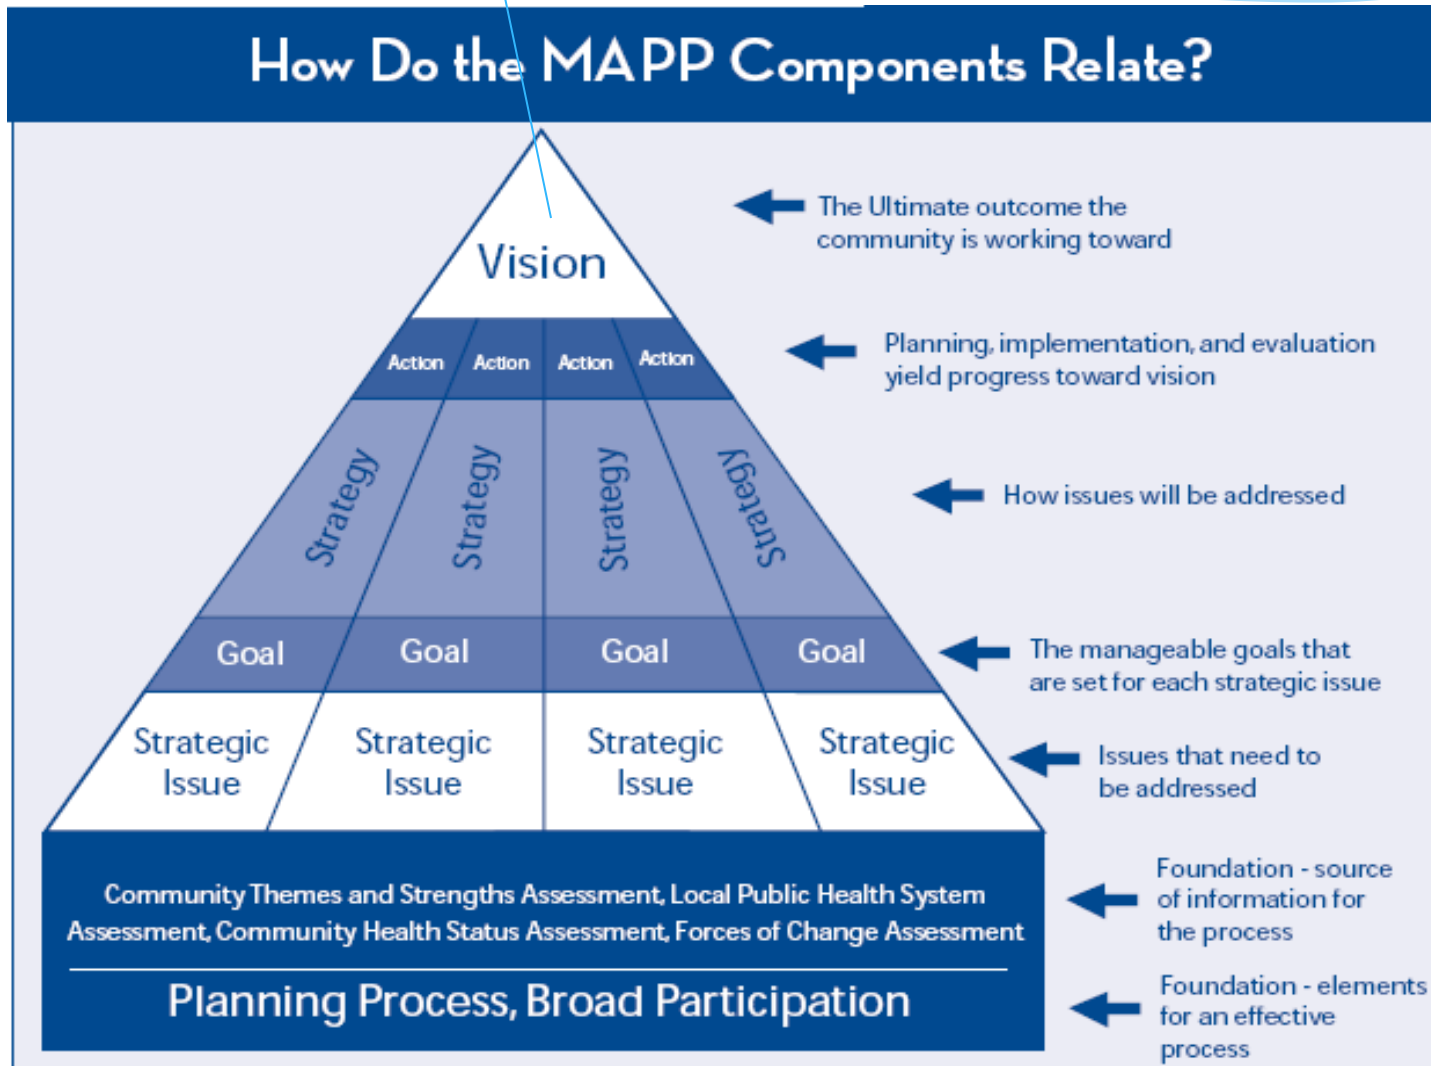

# NPHPS Results—Local Public Health System [EPHS = Essential Public Health Service]

Figure 1: Summary of EPHS performance scores and overall score (with range)

**VISION: A thriving community where all people are safe and healthy.**

# Community Health Improvement Plan (2013)

<http://lincoln.ne.gov/city/health/pde/MAPP.htm>

## Four Priorities:

- \* Access to care
- \* Behavioral Health
- \* Injury Prevention
- \* Chronic Disease Prevention

# Next Steps

- \* Reconvene the CHIP Committees in September with invitations to join.
- \* Finish up on collecting the information for the Community Health Profile report based on the assessments
- \* Have an October MAPP meeting to summarize and wrap up the assessment—October 15<sup>th</sup> or October 22<sup>nd</sup> ?
