**The AVI8ORS Ensemble:** The wonderful music of the World War II era, performed in USO show style by some of the finest musicians in the Heartland. Their mission is to provide a wide range of songs from the 30s and 40s to entertain and inspire a diverse audience, but more importantly, to bring honor to those of the "Greatest Generation". The AVI8ORS ensemble is a high quality act that blends subtle choreography and dialog with the music to give the performance a bit of a nostalgic feel. The singers perform in WWII style uniforms. The AVI8ORS are available to perform for concerts, benefits, military or civil reunions, luncheons, etc. Several options are available for length of program, repertoire and number of performers. A professional sound system is also available.
