on the  
LINCOLN PARKS & RECREATION ADVISORY BOARD**

General Information:

The Lincoln Parks & Recreation Advisory Board is a 16-member Board appointed by the Mayor to represent the citizens of Lincoln on issues relating to the long-range planning for parks and park facilities, the operation of parks, and the delivery of recreational services in our community. Two positions on the Advisory Board are designated for student representatives.

Each year, two high school students are appointed to serve one-year terms that typically begin in June, with the option of a one-year reappointment. Students may serve on the Board during their Junior and/or Senior year of high school. We are currently seeking one student to serve during the 2016-2017 school year.

The Advisory Board meets on the second Thursday of each month at 4:00 p.m. at the Parks & Recreation Department Admin Office, 2740 "A" Street. The student's regular attendance is appreciated and committee work and special projects are occasionally involved. The commitment for student members is approximately four (4) hours each month and Board members serve without pay.

Students attending any public high school, private high school, or home schooling are eligible to apply for a position on the Advisory Board. Students must be residents of the City of Lincoln. Please complete the attached "**Application Form**" and return the form to Angela Chesnut, Parks & Recreation Admin Office, 2740 "A" Street, Lincoln, NE, 68502.

**All applications and letters are due no later than [June 3, 2016](#)**
