

AIR PARK SUMMER DAY CAMP

Week #4

Week 3 allowed our campers to unleash their hidden talents in many team sports. We worked hard on learning the fundamentals of many popular team games; soccer, volleyball, basketball. The group really enjoyed playing these games in regulation with all the campers and staff! The campers were challenged to take their archery skills to the next level by shooting at apples as targets!

Week 4 will focus on the artsy side of our campers. We will work on developing reading and writing skills by creating our own story books and journaling. We have many fun crafts planned so keep your eye out for the creations your campers will make this week. We will take two field trips as a whole camp this week. First, we will take a tour of the sculptures in downtown Lincoln **capitalized** by a trip to our very own capital building. On Wednesday we will tie in last weeks theme with this weeks when we visit Memorial stadium and take a tour of the facilities.

A few reminders from the staff:

- Tennis shoes are necessary during summer day camp given the amount of physical fitness and walking we do daily.
- Swim days are Monday, Wednesday, & Thursday from 10:45 AM to 12:15 PM. **Don't forget your SUNSCREEN, TOWEL, & SWIMSUIT.**
- Please bring WATER daily. **We can provide a water bottle if needed,** but please make sure it gets filled each morning. We want our campers to stay hydrated!
- Feel free to send your camper with a pair of sunglasses. Eye protection is just as important as skin protection.
- **To reduce the chance of sunburn please bring your child to program with a bottle of sunscreen labeled with the camper's name that we can keep at the center for daily activities.**
