## FLIGHTED FORMAT

The city tournament committee is employing a flighted format again this year. Players may declare the Championship Flight on the entry form and will then be paired with other Championship Flight players. Other players may choose to be flighted by the combined first and second day's scores. Pairings will be made by age and ability for the first and second day's play, then be placed in an appropriate flight based on their combined score. Tournament Committee reserves the right to adjust players within flights.

**Tee times and pairings are the same for the first two days. New times will be assigned** for the final Round on Thursday within flights. Play within all flights will be scratch. This competition will be conducted over 36 holes with prize certificates awarded to flight winners as they complete play on Tuesday. **Lunch will be served on Tuesday** to the players as soon as they come in off the course.
