

# PIONEERS PARK NATURE CENTER

## Camp Discovery 2012

Ages 3-6, Monday - Thursday, 9:00 - 11:30 a.m.

\$65/week, Prairie Building Bluestem Classroom

Call 441-7895 for more information

Registration begins March 1st

Each week we'll learn through outdoor exploration, crafts, puppets, nature games, snacks and story time.

### Green and Growing: June 4-7

Learn to grow in our new children's garden! We'll get our hands into compost and soil, plant, water, harvest, and make a snack using what we've harvested.

### Goin' on a Nature Hunt: June 11-14

Spend most of each day investigating the Nature Center's varied trails seeing what exciting discoveries we find. We'll be hiking about 1.5 hours each day, weather permitting, and exploring the children's garden too!

### Horns and Antlers: June 18-21

Investigate the large mammals of the Nature Center. We'll hike to find the elk in the pond, the deer camouflaged in the grass, and the bison roaming in the field.

### Polliwogs, Nymphs and Worms, June 25-28 and July 9-12

With dipnet in hand, let's get wet and dirty searching ponds and stream to see what lives there.

Send registration form with payment to Pioneers Park Nature Center, 2740 'A' Street, Lincoln, NE 68502  
Cancellations must be requested one week prior to camp and are subject to a \$15/child fee.
