WEEK OFF

M-F -Mar 7-11

*If registering online, all required paperwork must be submitted.

ENROLLMENT FEES: Enrollment fees are due when you register. We will register your child for only the days you check and pay the enrollment fee or have Title XX authorization. Enrollment fees are non-refundable and nontransferable from site to site. You may register for additional days later as long as there is room.

NEED BASED SCHOLARSHIPS: Consideration is based on need. Complete a registration form and a scholarship application that is available online, and at all recreation centers, the Parks & Recreation Administration Office or the Playground Office. Scholarship applicants need to provide proof of income, size of household information, and a statement of need. You may contact the program location where you registered to discuss the scholarship amount we can make available to you. The program is approved to accept Title XX.

Your child's placement in the program will not be secured until all paperwork, required payments or Title XX authorization are current.

Participants will experience:

- Recreation and Leisure Skill Building
- Physical Fitness Through Active Play
- Social Development
- Nutrition Awareness
- Nature Interaction

Parents and participants can expect:

- A focus on large group games and active play
- Skill building with challenging activity levels
- Site-based activities
- Individual exploration of interests through a wide range of activities

Our goals are to provide children with things to do that are fun and to offer opportunities for social interaction and skill development.

We teach teamwork, appropriate social behavior and how to make leisure time positive as a group, and individually.

Adult staff lead activities and supervise children.

They model positive attitudes and behaviors.

They are trained, knowledgeable and enthusiastic.
