for Senator Mike Johanns**

“Supervision Principles to Live By”

So many leaders get caught up in people issues that they never have time to lead. “Supervision Principles to Live By” provides a set of tools to most effectively work employee issues that can hurt organization motivation and sap a manager’s time.

Open to all State, City & County Employees

Look forward to seeing you here, and don’t forget next month’s guest on Nov. 9, will be Steve Joel from LPS.
