# Western Supply Company

Wholesale
Plumbing, Heating, Well,
Water Works and Mill Supplies

1895-
-1923

THE oldest wholesale concern in plumbing and heating supplies in Lincoln. The Western Supply Company do an extensive business in Nebraska, Kansas, Colorado, Wyoming, South Dakota and Montana. The territory is covered by eight salesmen all using automobiles.

Nationally known lines such as Kohler Enamelware, Maddocks Vitreous Chinaware, Leader Electric Pumping Outfits, Trahern Pumps, Perkins Windmills, National Pipe and Glauber Brass Goods are handled.

The office and warehouse is located at 800-820 N street on trackage. An average of thirty people are regularly employed. The business is under the active management of H. M. Rathburn, Gen'l. Mgr., who has been connected with the Company since its inception and has surrounded himself with a corps of able assistants who have had special training in their respective departments.
