0350 - Pershing Auditorium - Minimal Repair (2) - 070600000350 - 2011/2012 FINAL

Group: (None)

Program: (None)

Description: The funding of a new arena was approved by the community in 2010, and it is under construction. With a need to continue to keep the doors open to the Pershing Center until the new arena is open for business, and with the standard and the trends of the industry changing, it is imperative that the city fund necessary refurbishing and renovation programs for Pershing Auditorium on an as needed basis. Much of the equipment Pershing uses on a daily basis is original equipment with the building 50-years ago and it is simply wearing out. Projects currently scheduled for the period covered by this plan include minimal base repairs and event equipment. A concerted effort will be made to make purchases transferrable to the new arena for continued use beyond the life of the Pershing Center.
