

# CITY OF LINCOLN - LANCASTER COUNTY COMPREHENSIVE PLAN

This document presents the Year 2025 Comprehensive Plan for the City of Lincoln and Lancaster County, Nebraska. The Plan was approved by the Lincoln City Council, Lancaster County Board of Commissioners, and Lincoln Mayor Don Wesely on May 28/29, 2002. The balance of this document is divided into the following three elements:

**Comprehensive Plan Vision** - This seven part statement expresses the hoped-for future for the city and county. It voices the desire for a single community, acting together toward a common set of goals while respecting the needs for individuality and diversity. It speaks to quality of life concerns, the need for sustaining economic opportunities for all, and the strength of conserving the natural environment. It also touches upon the continued strength of Downtown Lincoln and the interaction between the Plan and the citizenry.

**Existing Conditions** - This chapter examines the condition of the community as it currently exists. This chapter provides a perspective of what the community is like today. It describes the foundation upon which the community's future will be built.

**Future Conditions** - This chapter addresses tomorrow's community – what it will be like for the people living in it and how this future will be brought about. It pictures the form that the future urban and rural areas will take, and the actions that will be needed to make this happen.
